ST. MARK'S SCHOOL OF TEXAS

10600 PRESTON ROAD

DALLAS 30, TEXAS

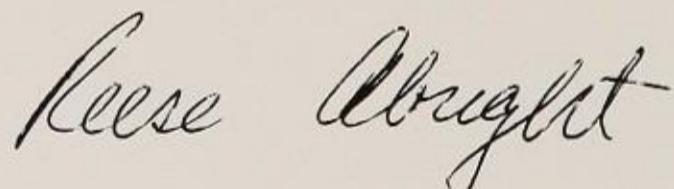

March 8, 1965

As this is being written, the final deadline for the *Marksman 1965* is only hours away. The yearbook room, where we have done most of the work on the book, is littered from one end to the other with discarded pictures, paper, pencils, cigarette butts, and copy pages. All is comparatively quiet except for the occasional clack of a typewriter, as the staff puts the finishing touches into the book on which most of us have been working for the better part of a year. It should be a moment of exhilaration and celebration, and it is, in a way. But it is also a moment of sorrow and of the temporary letdown that inevitably accompanies the completion of any large task. We are glad the job is almost finished, but there will always remain the memory of the jokes, the fellowship, and the work; and it is somehow sad to think that it is all over.

You learn a lot of things working on a yearbook. You learn about pictures and about layouts; you learn about publishing and about deadlines; and you learn about money and the lack of it. But most of all you learn about people—about how hard some will work, how little some will do, and how inefficient some, including you yourself, can be. And yet you also learn that somehow, in spite of it all, in spite of the litter, the inefficiency, the occasional lethargy, in spite of the arguments, and sometimes even in spite of the hard work, the job gets done, the pages are completed, and the deadline is met. It is a nice thing to know.

We hope you like the book.

## Arthur Reese Abright, III

*Reese Abright*

Reese electrified SM with his arrival from Henry Longfellow in 1960 . . . has demonstrated extraordinary zeal in his academic pursuits—was a member of the Cum Laude Society as a junior, and a National Merit finalist as a senior . . . showed conspicuous symmetry in being on the First Honor Roll as a freshman and junior and on Second Honor Roll as a sophomore and senior . . . an active participant on the *ReMarker* staff for three years, he followed up his journalistic interests as this year's *Marksmen editor* . . . also contributed worthy specimens of his literary talents to the *Marque* . . . key man on the piano . . . wants to continue playing at Yale, Princeton, Tulane, or Texas.

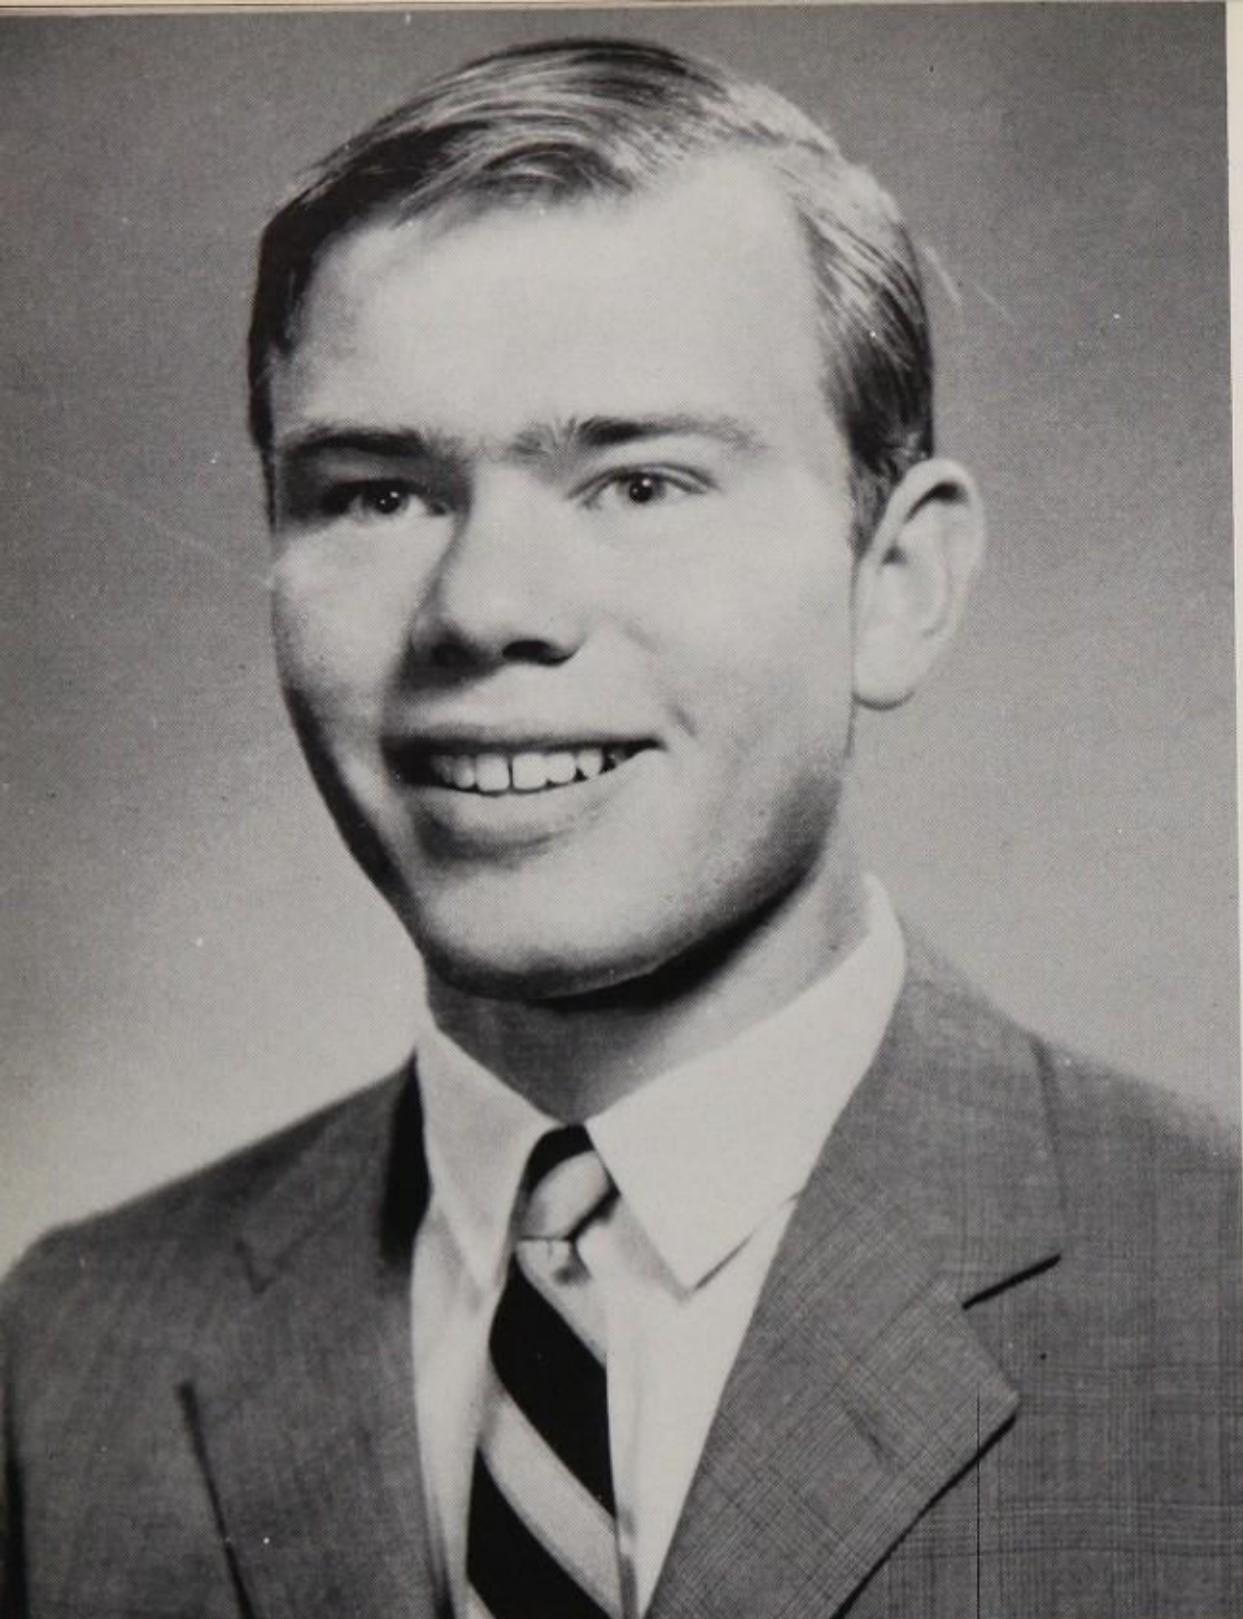

# John Adel, II

*John Adel Jr.*

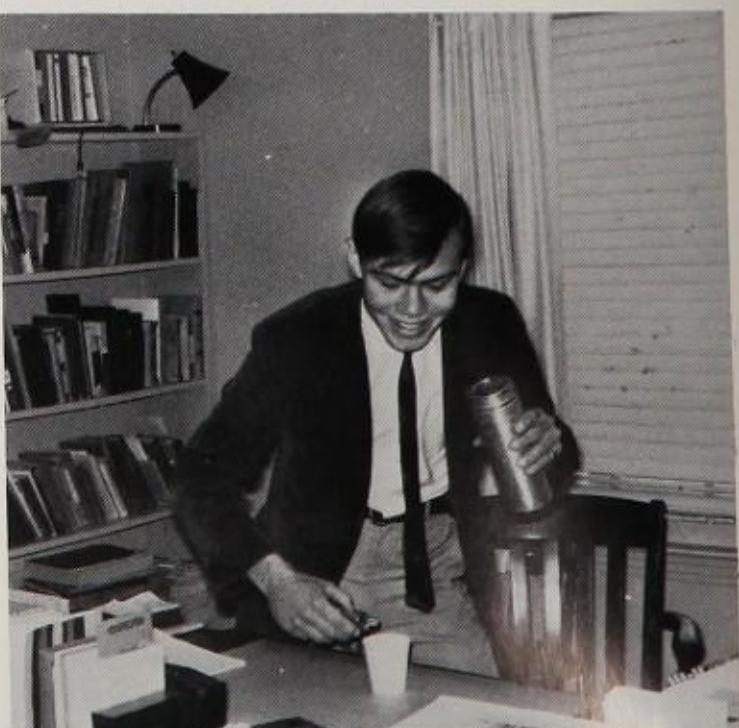

John entered the fold from Ben Franklin in 1962 . . . became member of the Legislative Council of the Young Republicans Club as a junior . . . played soccer two years . . . liked to warble his wood notes wild in Senior Glee Club . . . will go to Texas or Stanford.

## Thomas Lane Amis, Jr.

*Tom Amis*

Tom, "Lamb Chop", is one of the rare individuals who has ever spent twelve years at St. Mark's . . . there has hardly been a year in which he hasn't been elected to some position of importance within the school . . . as a freshman, and sophomore, he was the president of the Class of '65, as a junior, he was secretary-treasurer of the Student Council, and this year he served as vice-president of the Council . . . played varsity soccer as a senior . . . sang in the Senior Glee Club . . . to top it off, he is a grade-A student, a member of the Cum Laude Honor Society, and a National Merit Finalist . . . likes flying and, to prove it, drives a not-so-little GTO . . . headed for Stanford, Occidental, or Pomona.

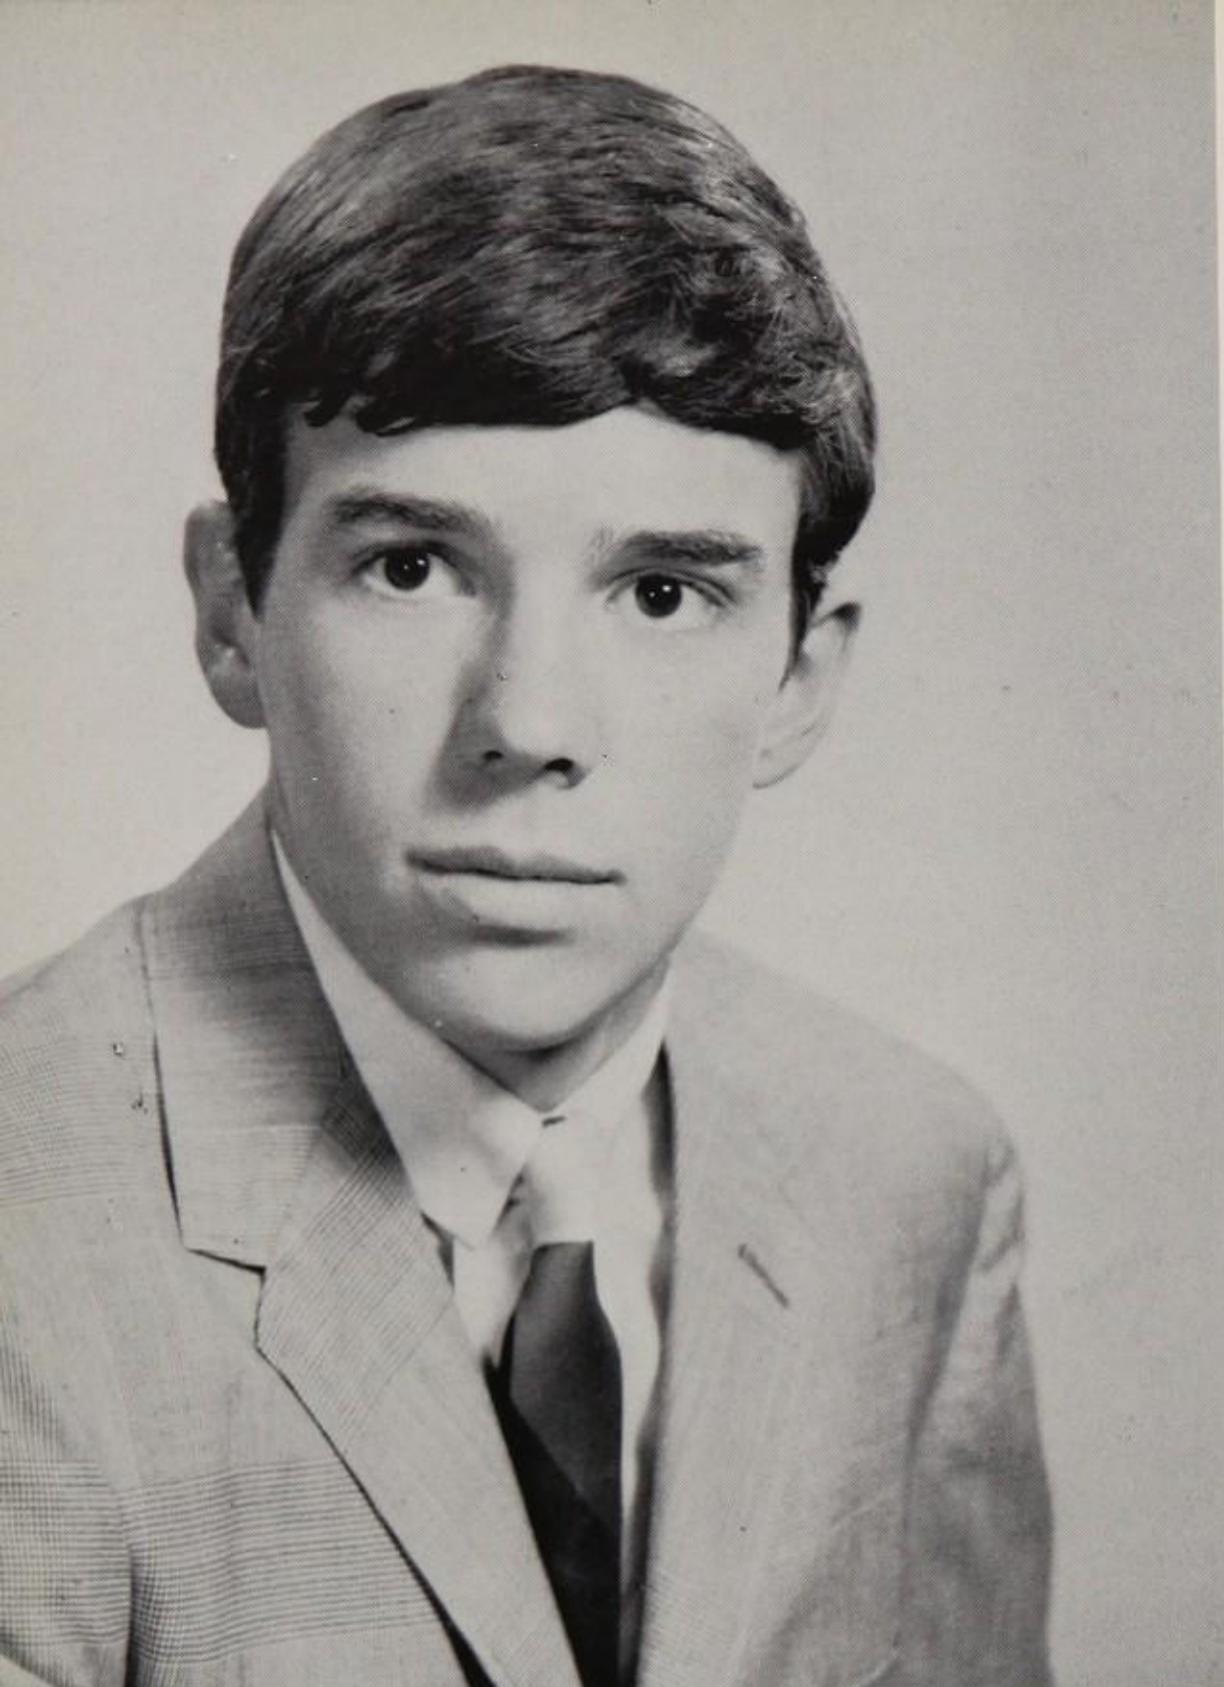

# James Edwin Anderson, Jr.

*Jim Anderson*

Jim entered in 1961 from Highland Park Junior High . . . made the honor roll every year . . . a National Merit Finalist . . . varsity football letterman . . . one of Whatley's Winners on the swimming team . . . member of the Spanish Club . . . his Drama Club credits include "Caine Mutiny Court Martial," and "The Diary of Anne Frank" . . . was index editor of the Yearbook . . . enjoys fiddling on the guitar and sailing on the seas . . . will sail away to Stanford, Occidental, or S.M.U.

## **David Charles Anson**

*David Anson*

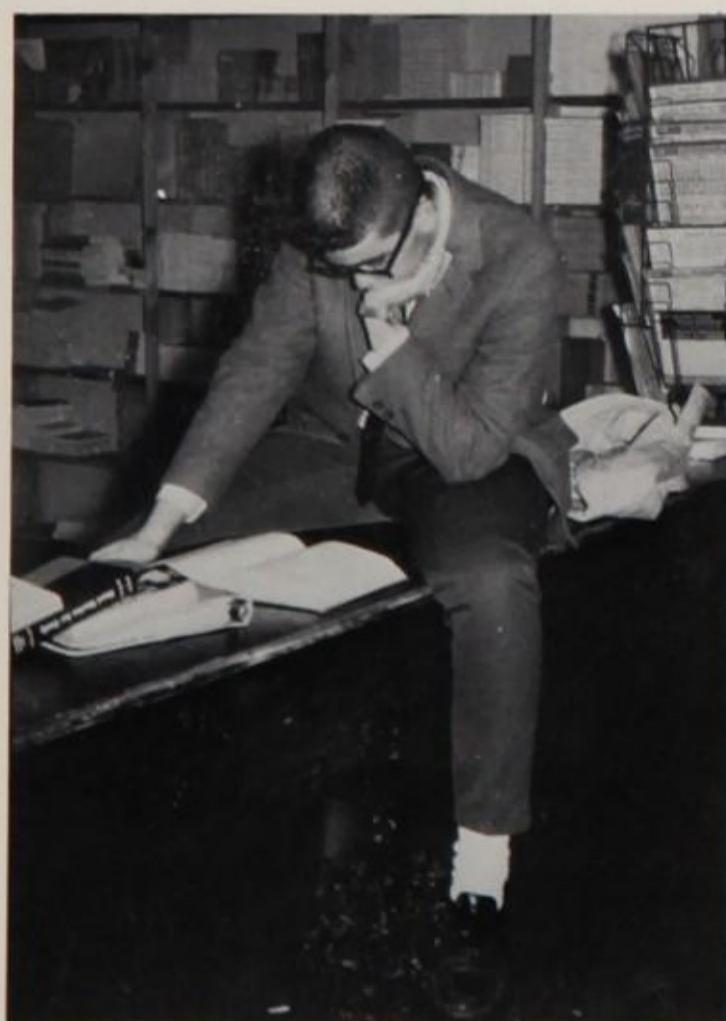

Dave entered SM in 1960 from Walnut Hill . . . has since had a dramatic career, having important roles in "The Diary of Anne Frank" and "The Caine Mutiny" as a junior and "Under Milkwood" as a senior . . . vice-president of the notorious Young Republicans Club . . . goes around looking like a modern-day Bart Maverick . . . the melodious chords of his harmonica could be heard throughout the halls after lunch . . . there's something fishy about Dave, as his hobby of raising exotic varieties of tropical fish has won him first place for Neon Tetra breeding in the Southwestern Tropical Fish Association . . . college choices are Notre Dame, and Texas A&M.

**James  
Elson  
Archer, Jr.**

*Tim Archer*

"Archie" entered SM twice—the first time was from Shady Side Academy in 1962, the second was from the Belmont Hill School in 1964 . . . excelled in scholastics as one of the few to be on the high honor roll as a senior . . . was also a National Merit semi-finalist . . . could be found every seventh period doing his calculus homework while working in the book-store . . . enjoys modern art and writing . . . will go to Harvard, M.I.T., or Stanford.

**Richard  
Allen  
Baldwin, Jr.**

*Richie Baldwin*

Richie flew his kite from Benjamin Franklin to St. Mark's in 1962 . . . won two varsity football letters and two varsity baseball letters . . . his athletic distinctions include the somewhat dubious honor of being a Lower School P.E. coach while only a junior . . . also a junior Rotarian while only a senior . . . one of the operators in the Student Bookstore . . . Astronomy Club, member of . . . likes playing the saxophone and clarinet . . . looks to Texas A&M or the University of Houston.

Baldwin goes for two.

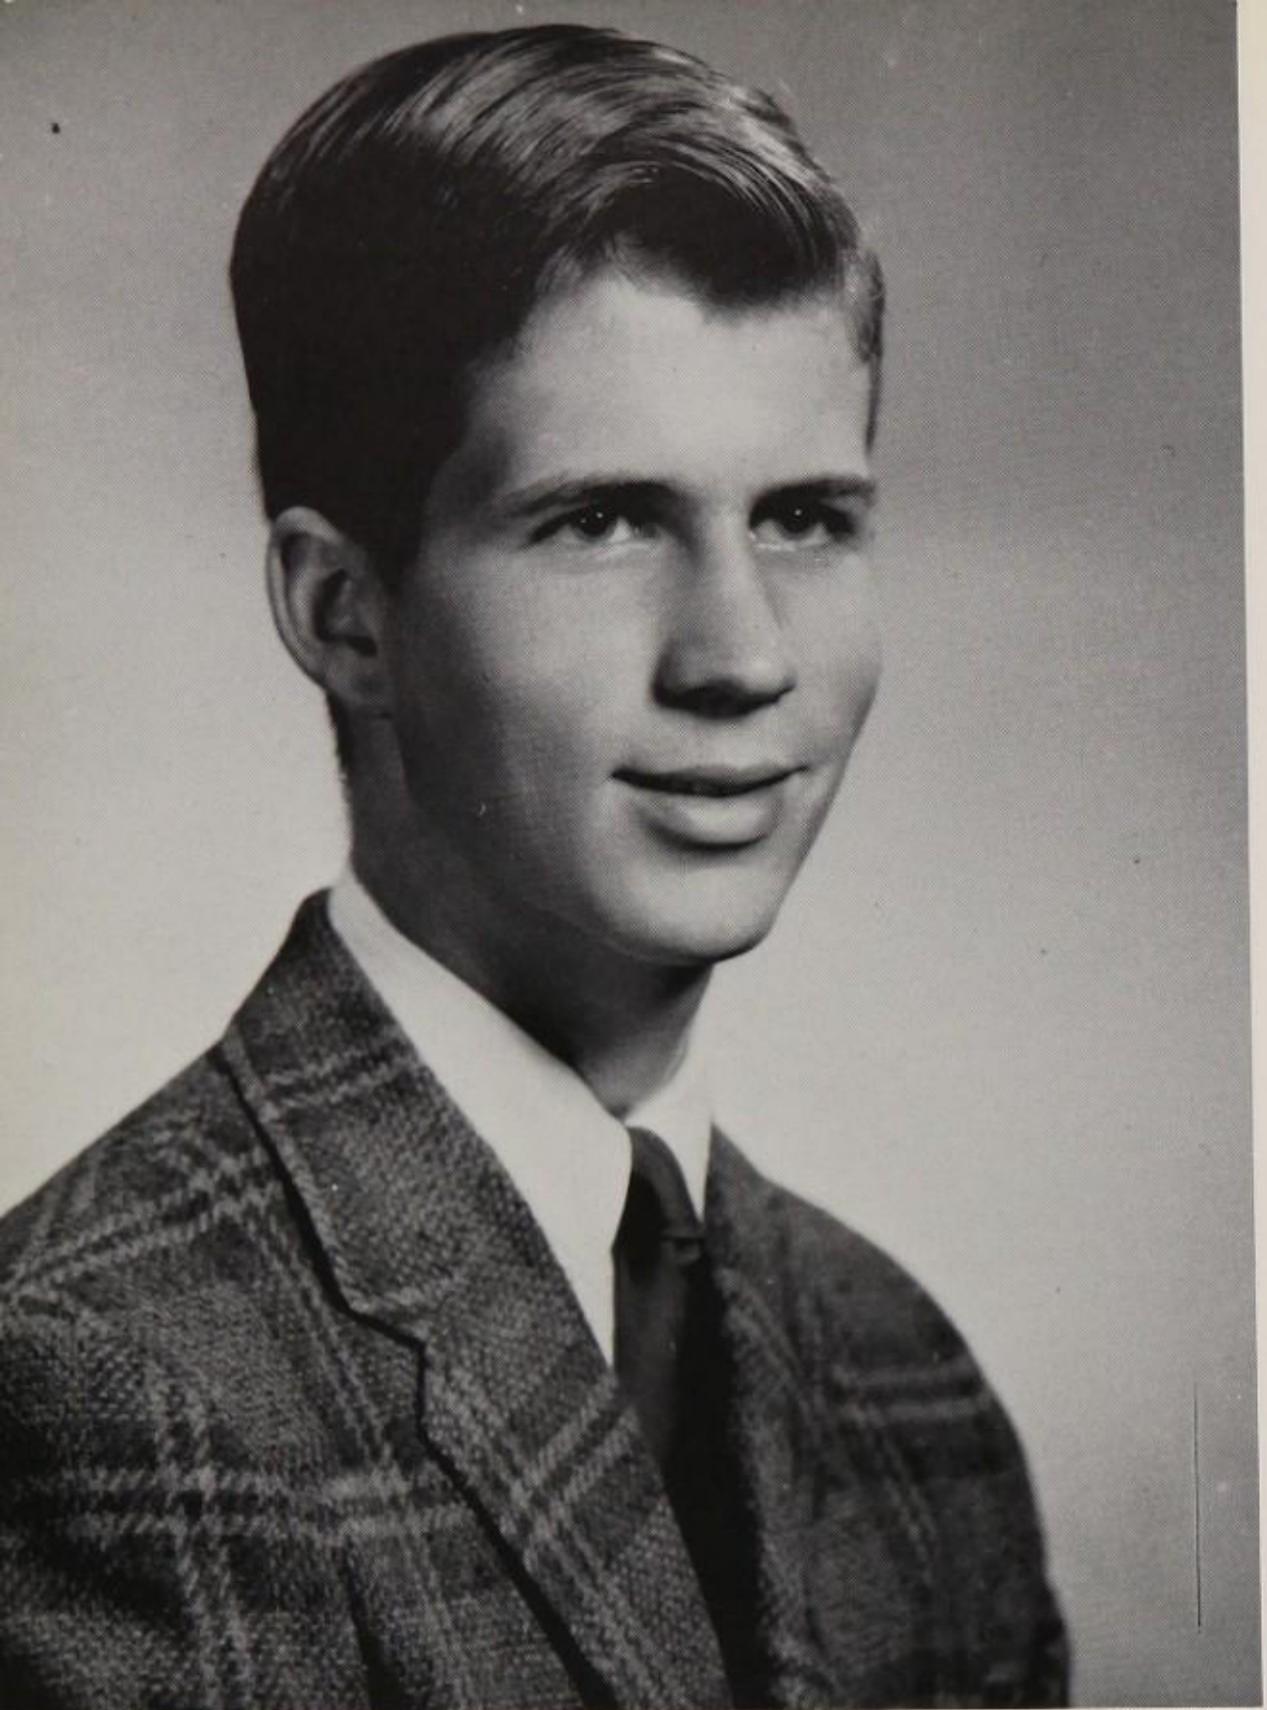

# Alfred Laurence Beer

*Alfred  
Laurence  
Beer*

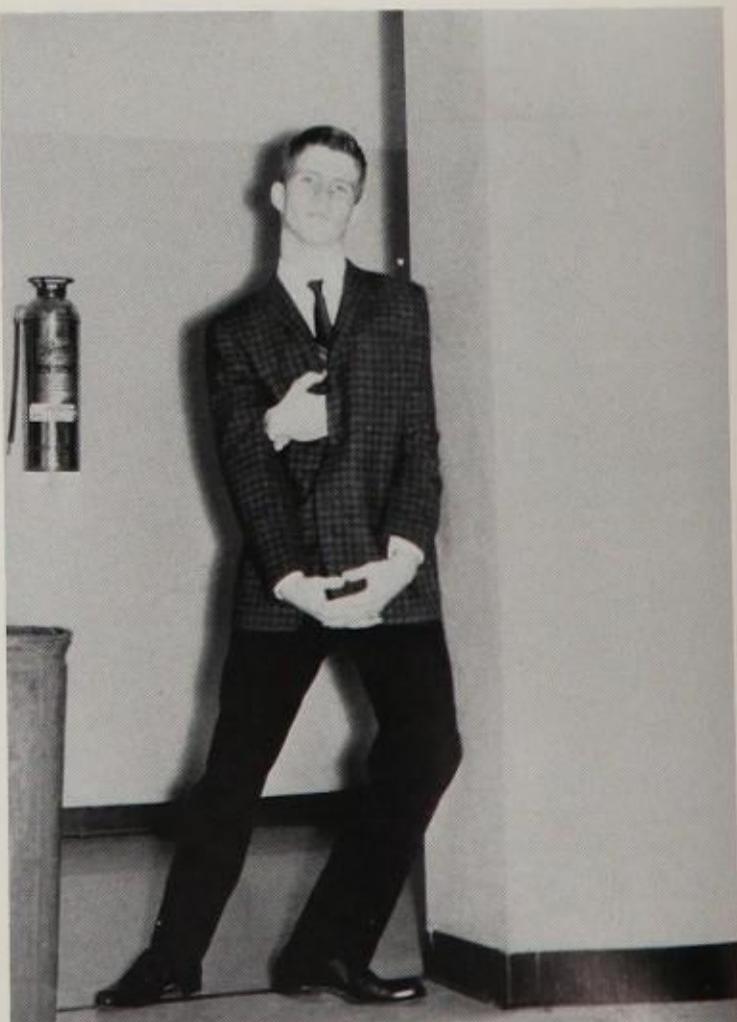

Al, an ex-Ben Franklinite, entered in 1962 . . . was president of the Glee Club . . . made the halls rock as a member of the Senior Glee Club . . . played football as a senior, baseball as a sophomore . . . member of the French Club in the eleventh grade . . . has made himself known as a bridge player . . . belongs to a youth group called Sigma Epsilon Chi . . . hopes for Tulane, Texas, University of Pennsylvania or Washington University.

## Thomas Louis Case

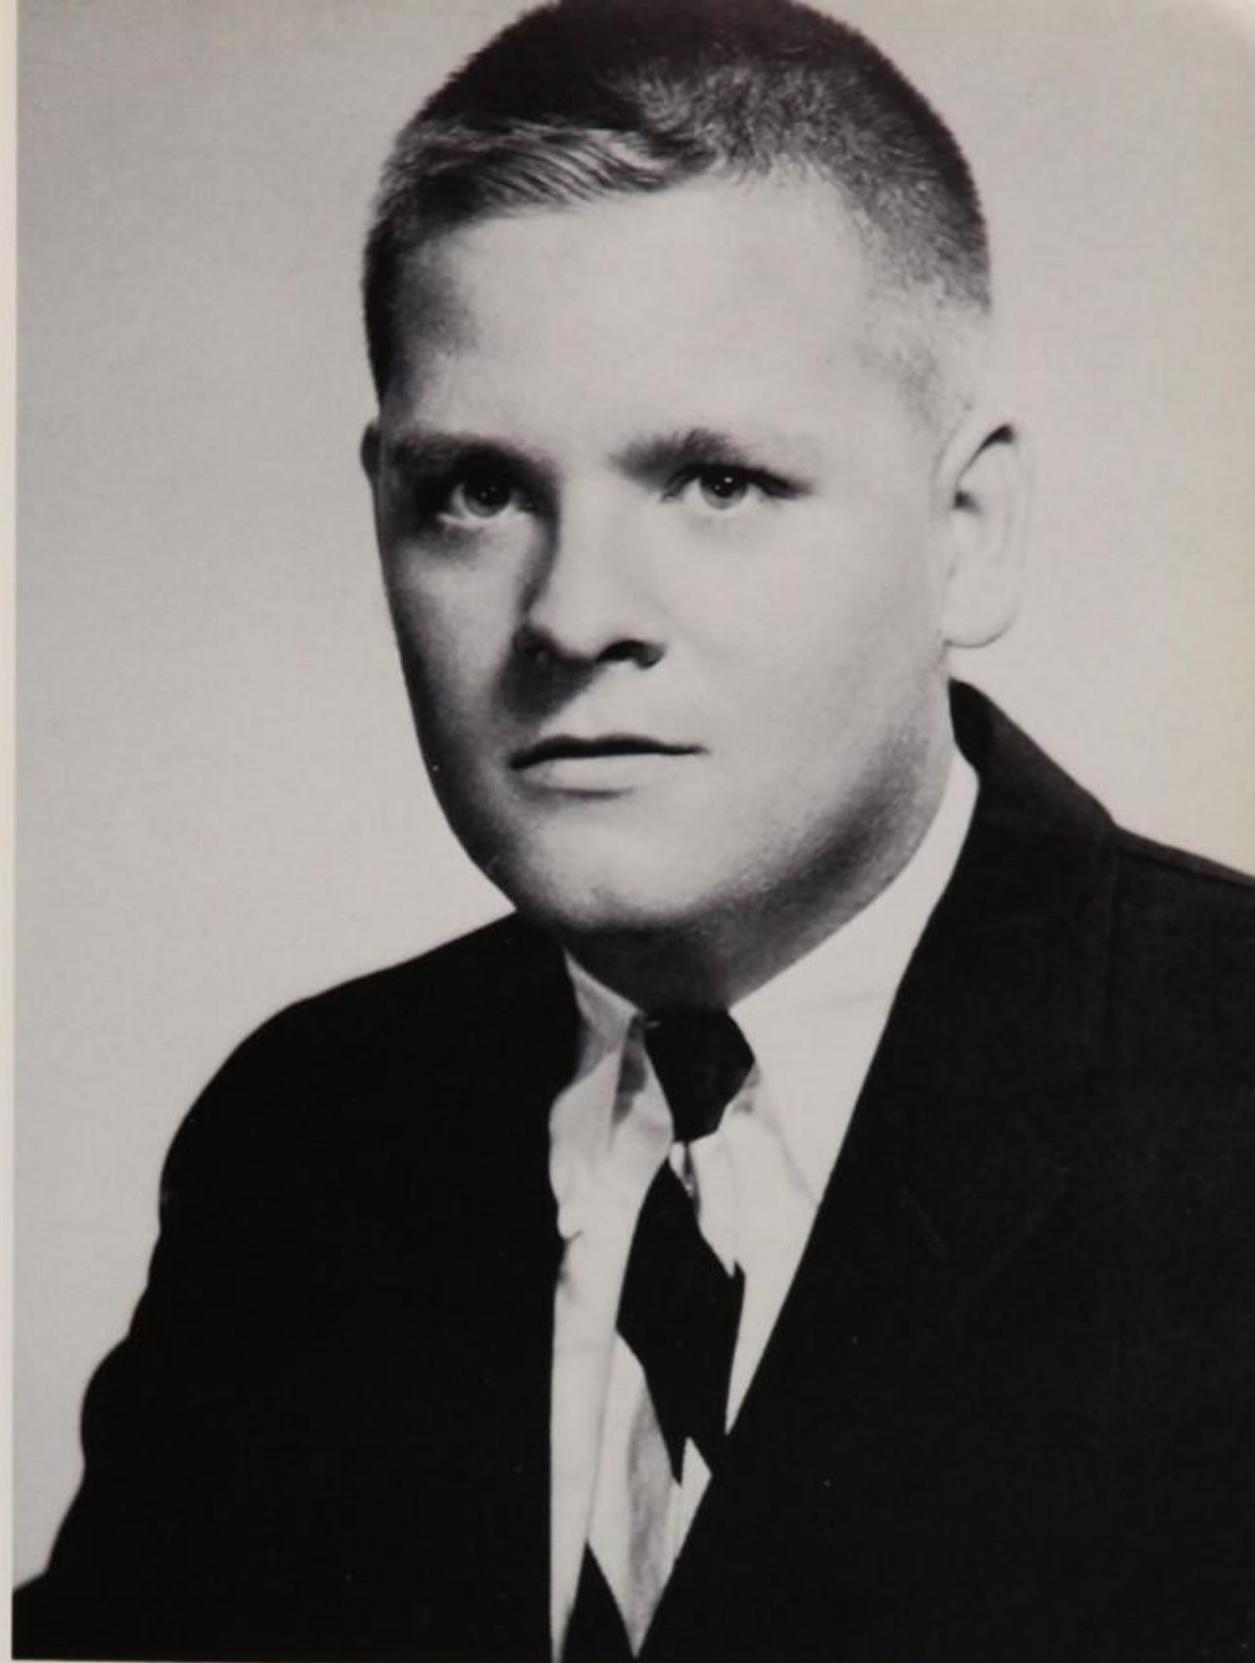

*Tom Case*

Tom is one old guard who came to SM in 1958 from Walnut Hill Elementary School . . . made Honor Roll for years running . . . member of Young Republicans . . . as a junior . . . loaned his talents to the ReMarker as advertising manager, and this year, as business manager, was responsible for amassing the money necessary to put out said who, what, when, where, and why publication . . . chose to fulfill his P.E. obligation as a member of the boxing squad . . . was the underpaid, overworked co-head salesman for the book-store second period . . . enjoys intellectual stimulation in advanced history and English classes . . . likes golf . . . will be off to Vanderbilt come fall.

"Quick, call Ripley!"

# Jack Wallace Chapman

*Jack Chapman*

Jack joined the ranks in 1960 as he sadly waved adieu to Arthur Kramer . . . took up interest in freshman soccer, football, and in drama . . . shifted his talents to the swimming team as a junior . . . manifested his destiny by becoming business manager of the Drama Club . . . a member of the defunct Young Republican's Club . . . keeps himself up in the clouds as a fully licensed pilot . . . a strong tail wind will probably blow him to Trinity, Kansas U., or Washington U.

## Richard Howell Collins

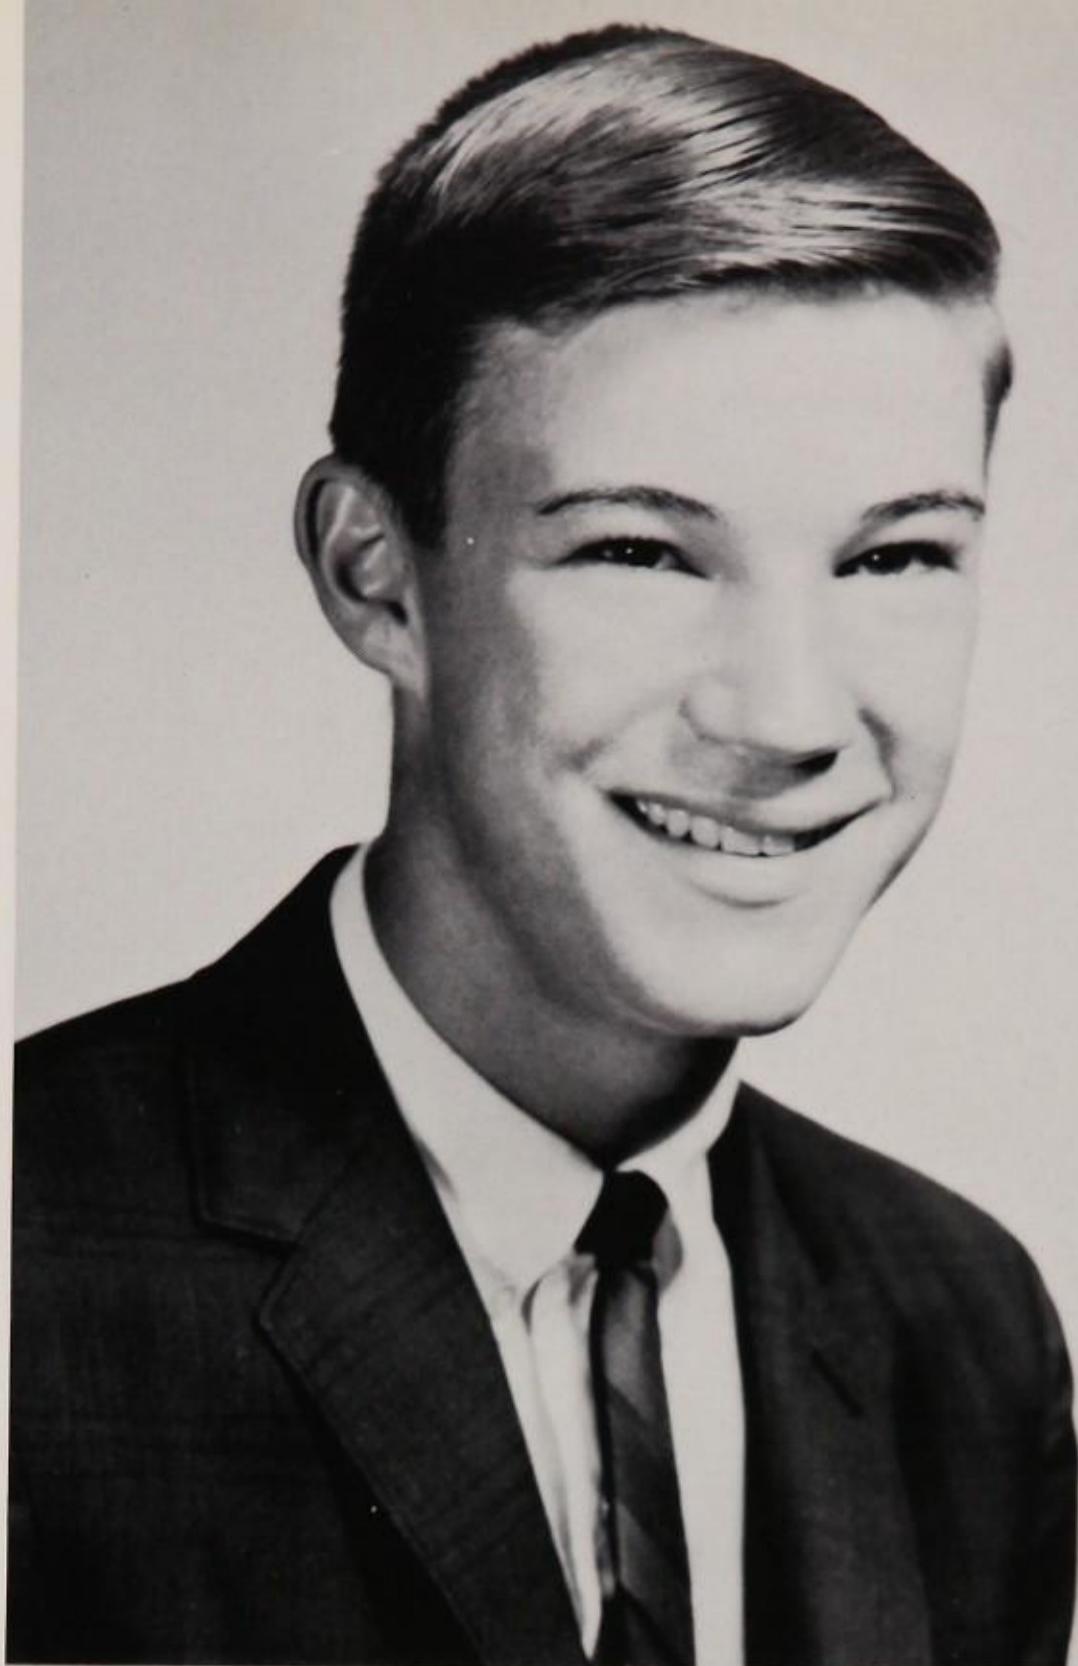

Dick H.A. Collins

Dick, "H.A.", came to us from J. J. Pershing in 1960 . . . used his experience with "Lakehouse Parties, Inc." to help create some of the most *smashing* victory parties ever . . . joined the sing-along-with-James group, better known as the Senior Glee Club . . . one of St. Mark's four lettering cheerleaders . . . president of the Young Republican's Club . . . spent a Sybaritic summer in France under the sponsorship of Choate . . . Drama Club member . . . enjoys experimenting with his '65 Ply . . . will further his experiments at S.M.U., Texas, or Rice.

"Napoleon and me, we stick together."

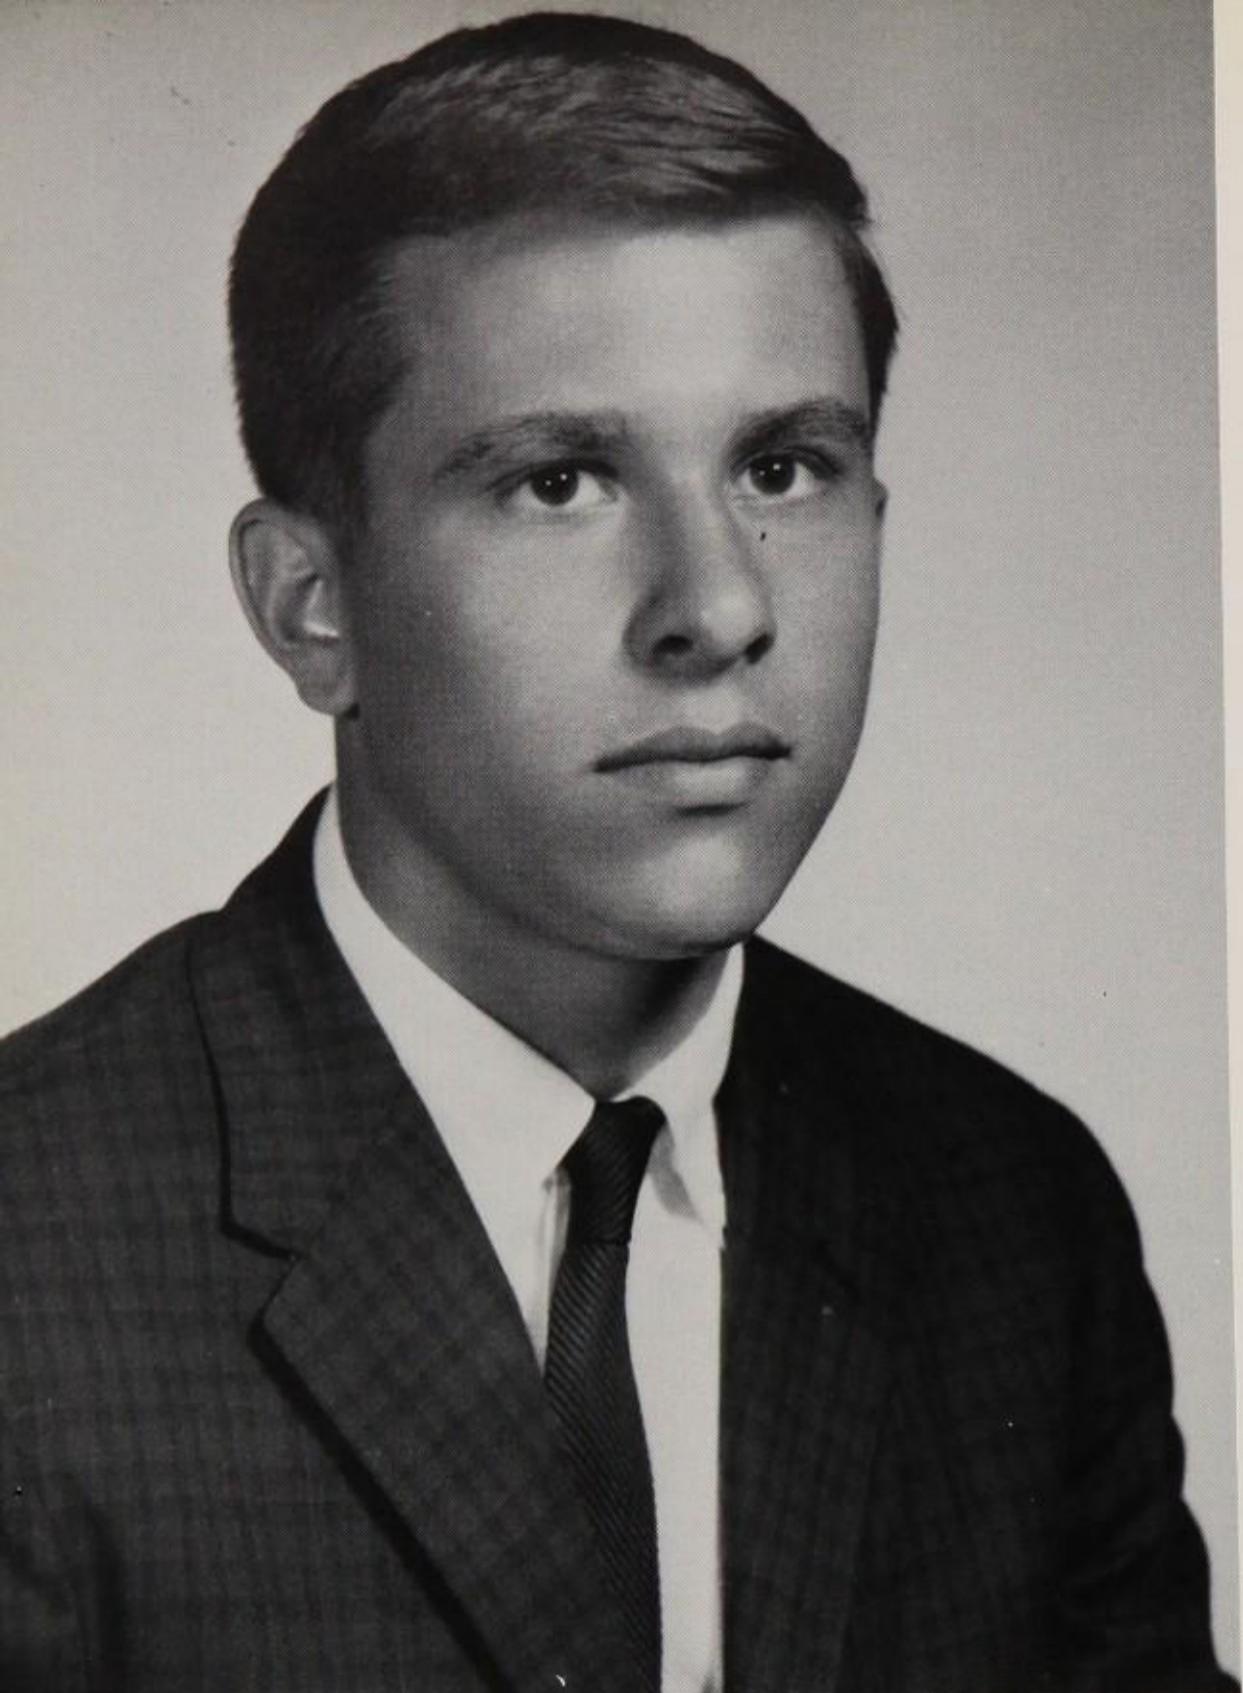

# William Robb Cook

*Bill Cook*

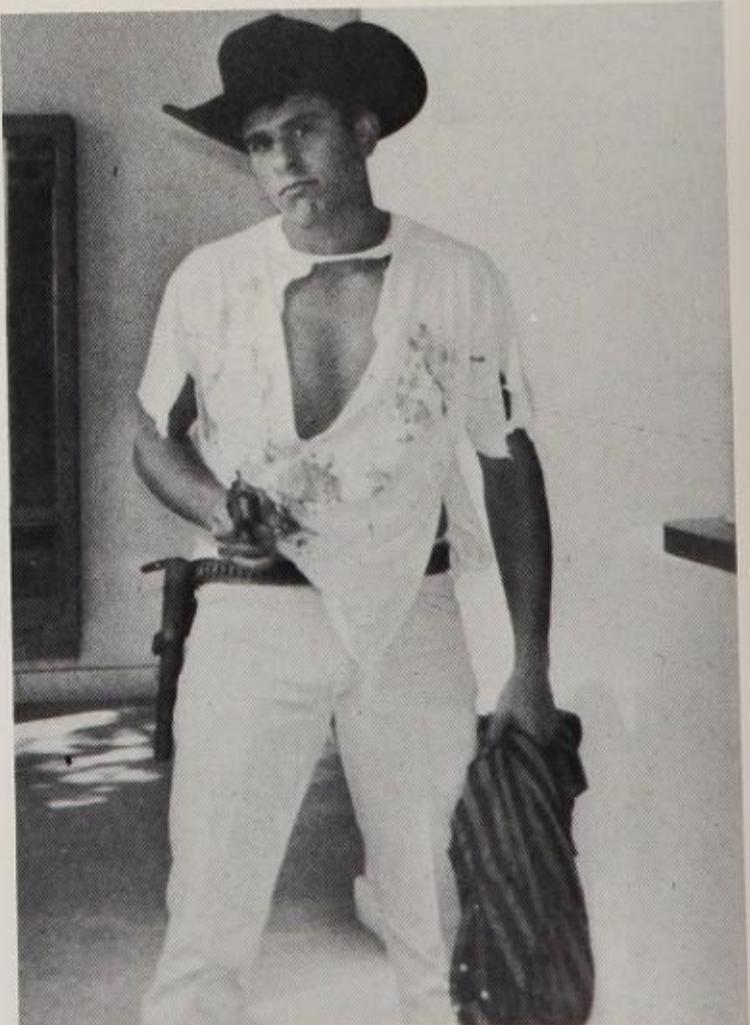

Bill made the change-over from Dallas Country Day School in 1956 . . . could be heard every day whenever he was driving within a two-mile radius of the school . . . blew his own horn (the trumpet of the species) in the band and brass choir . . . councilor of the Band Council . . . lettered in soccer . . . was a joyful Glee Club singer . . . spends his spare moments appreciating fine rebuilt classical cars . . . will motor up to Westminster come fall.

**Edwin  
Lockridge  
Cox, Jr.**

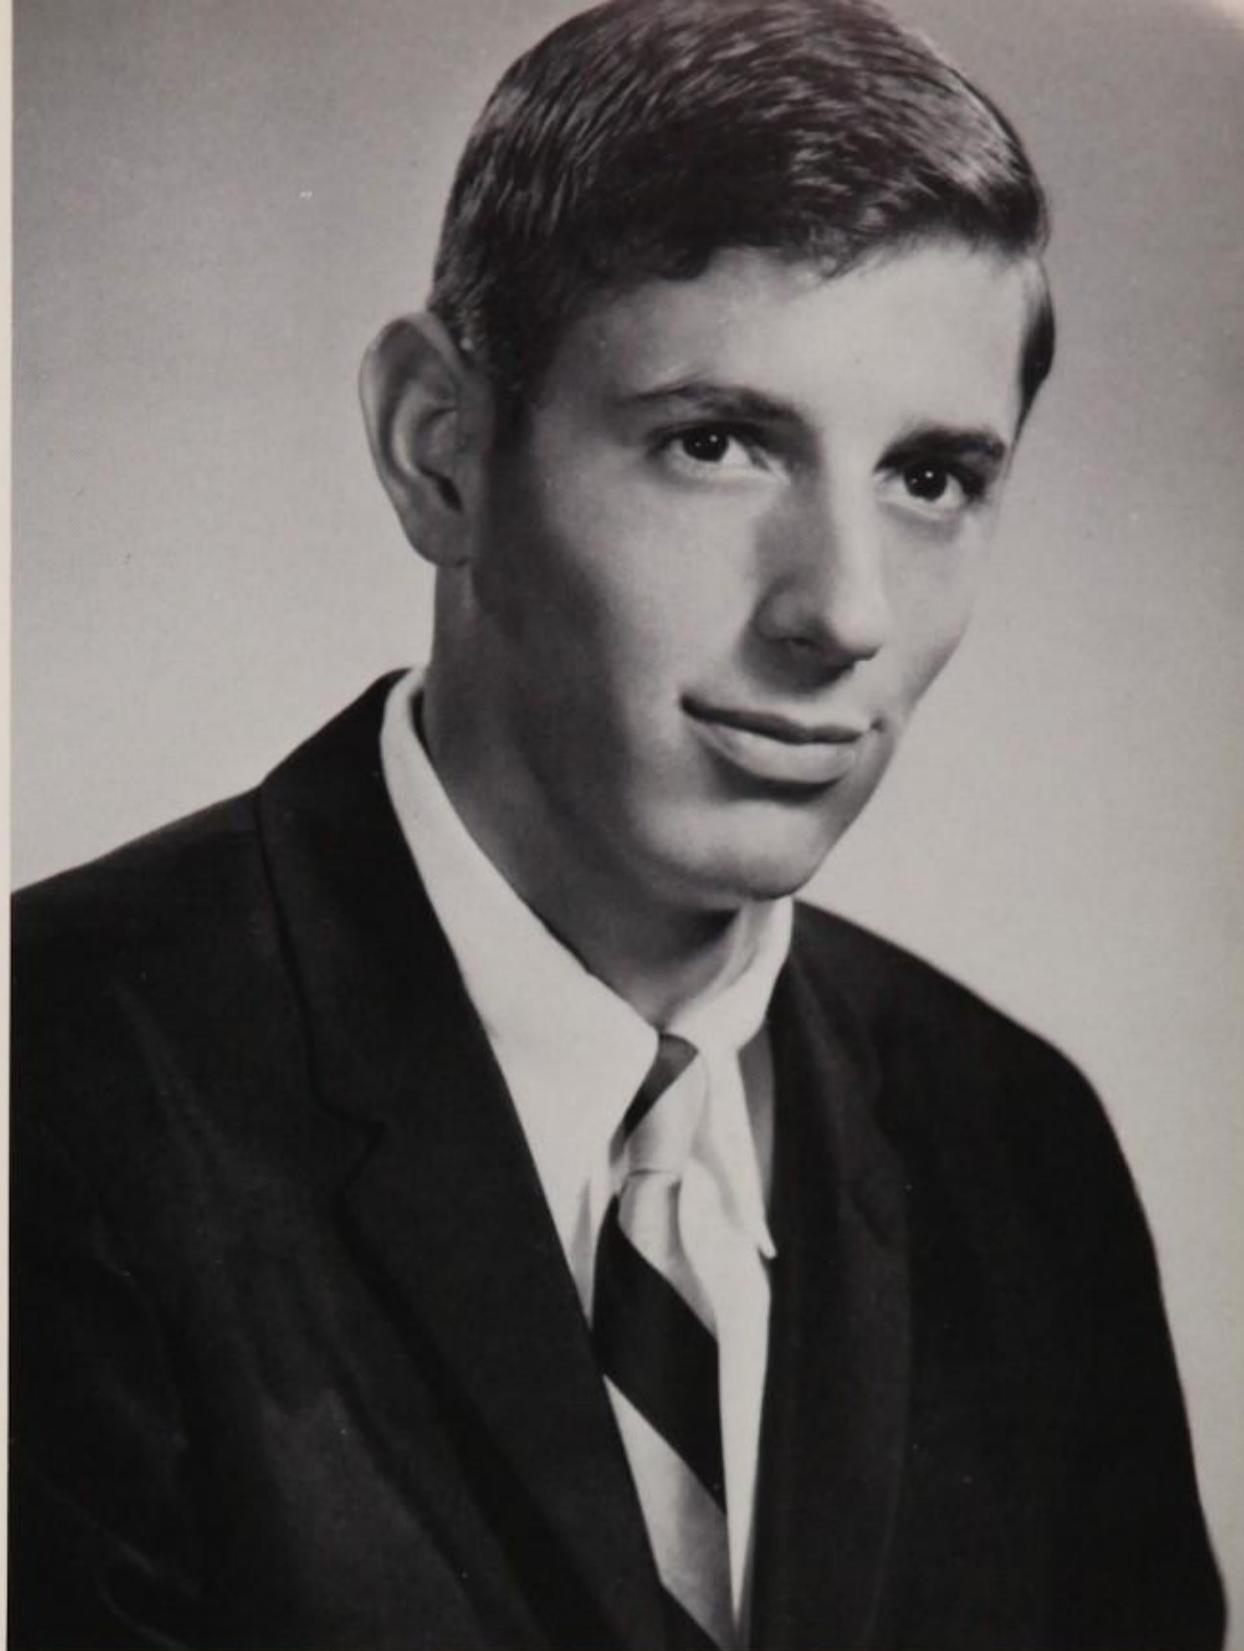

*Ed Cox*

Ed entered from Henry Longfellow Elementary School in 1955 . . . As a member of the Audio-Visual Club, he was instrumental in putting on many of the closed circuit television shows of last year . . . participated in the Spanish Club . . . a stalwart Young Republican, one of "Barry's Boys" last fall . . . snapped myriads of pictures as one of the yearbook photographers . . . headed for Texas.

Kill!!!!

# David Allen Dean

*David Allen Dean*

David rode in one day in 1962 from W. E. Greiner Jr. High . . . proceeded to join the Rodeo Club of which he has been a member ever since . . . finding a second use for his talents on the track, he became a high jumper . . . lettered in track as a junior and senior . . . a real hustler as end on the football team . . . football letterman . . . skin diving club . . . key man on the Varsity P.E. squad . . . will mosey over to Texas this fall.

**William  
Berry  
Dean, Jr.**

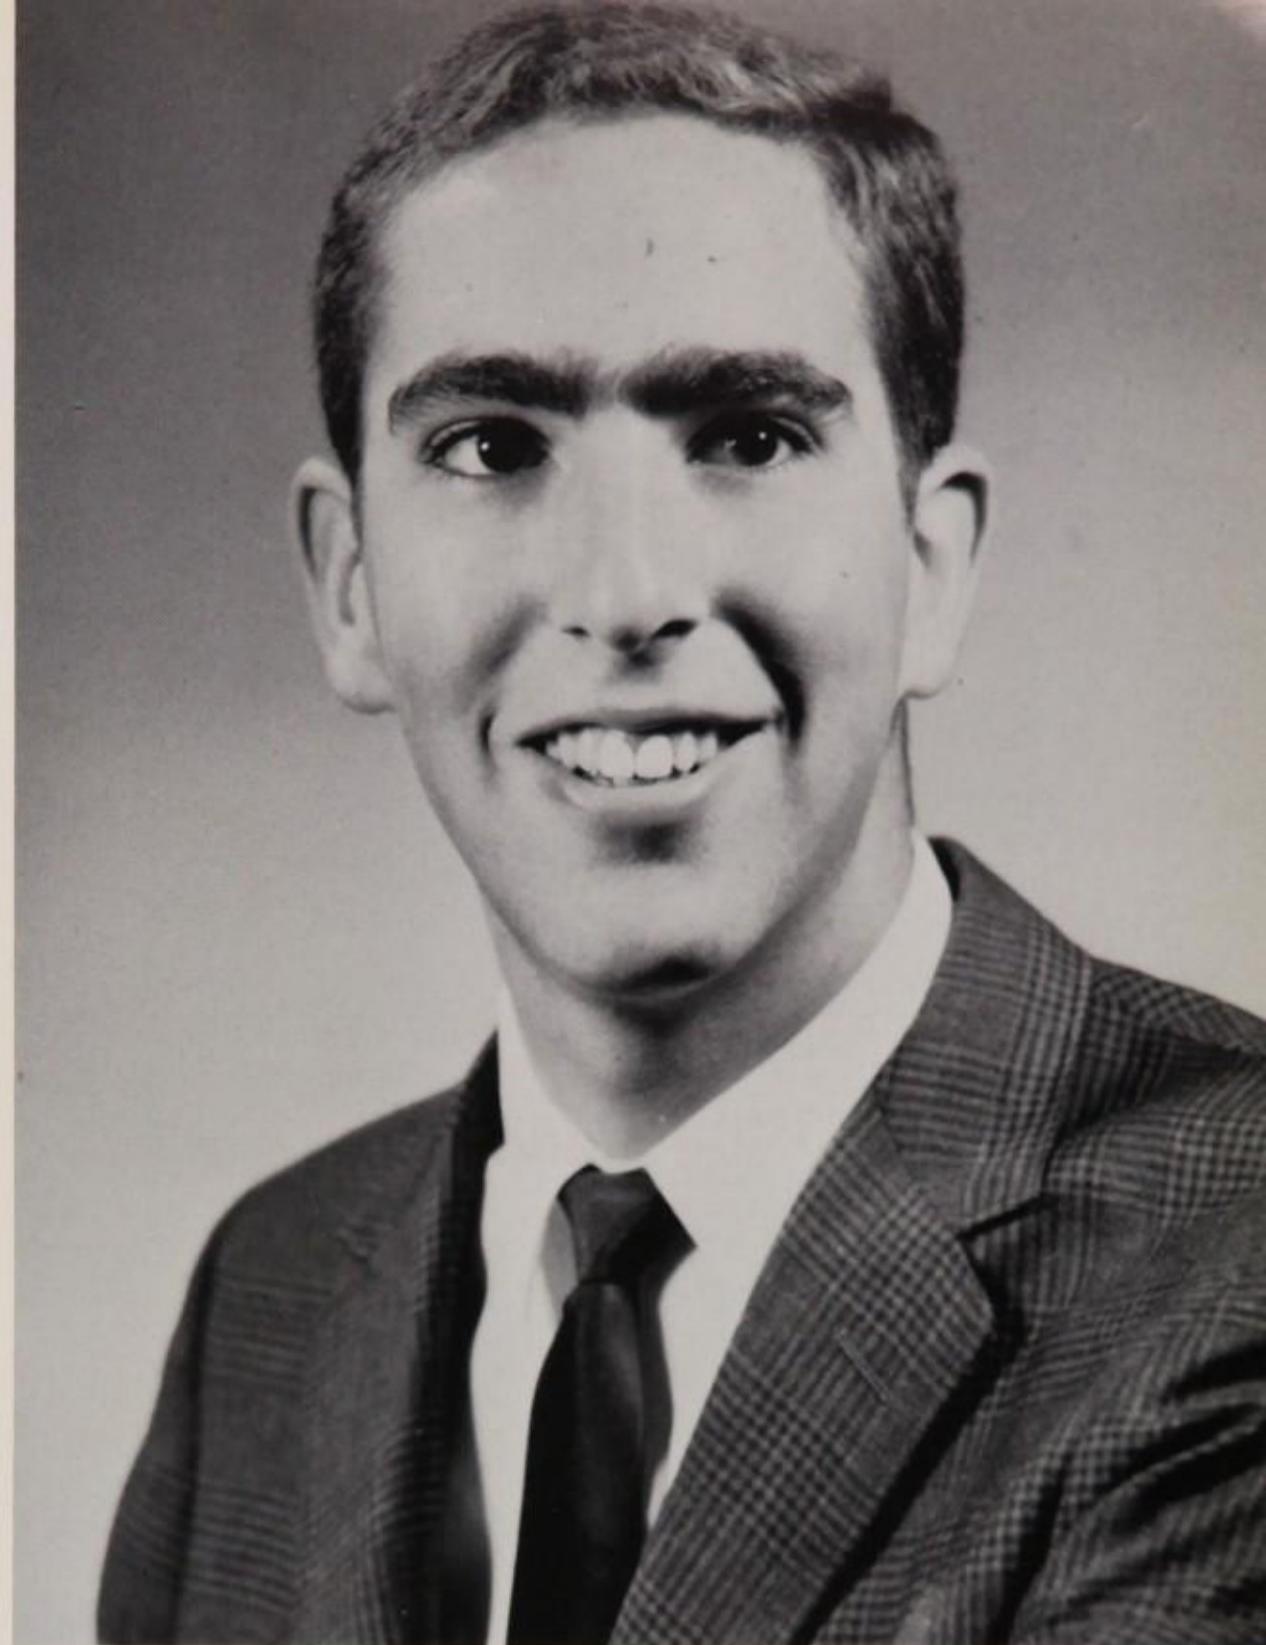

*W<sup>II</sup>B. Dean Jr.*

Bill, hitching a ride with his brother David, entered into the SM corral from Sunset High School in 1962 . . . promptly joined the Rodeo Club and the Audio Visual crew . . . dismounted long enough to offer his services to the track team as a junior and senior . . . a leader in the coup that put the juniors at the reins of the Young Republicans Club last year . . . varsity letterman in football . . . a member of the International Club . . . occasionally known to take off his spurs and put on the Skin Diving Club's scuba gear . . . hopes to attend Haveford, Austin, or Trinity.

Buffalo Bill downs a hairy one.

# Robert Lewis Feldman

*Robert L. Feldman*

The inimitable "Feld" entered in 1959 from John Bradfield . . . played tennis for four years and lettered twice . . . made the second honor roll in the tenth through twelfth grades . . . worked on the Remarker as a junior . . . was a charter member of the senior honors French class, Oviatt's boys . . . member of the Astronomy Club as a freshman, sophomore, and junior . . . used his height to good advantage as a freshman basketball player . . . aims at Amhurst, Tufts, or Franklin and Marshall.

**John  
Benson  
Ferguson**

*John Benson Ferguson*

Ben entered from Hill Junior High in 1961 . . . picked up a string of B-team letters including swimming, track, and football . . . won two varsity football letters as a hard-driving halfback . . . in spite of the fact that the Dallas Times Herald criticized him as not being aggressive enough, he still managed to letter two years in boxing . . . was a member of the astronomy club before that organization's untimely dissolution . . . hopes to go to Washington and Lee, Tulane, Colorado, or Texas.

Baby-face Ben

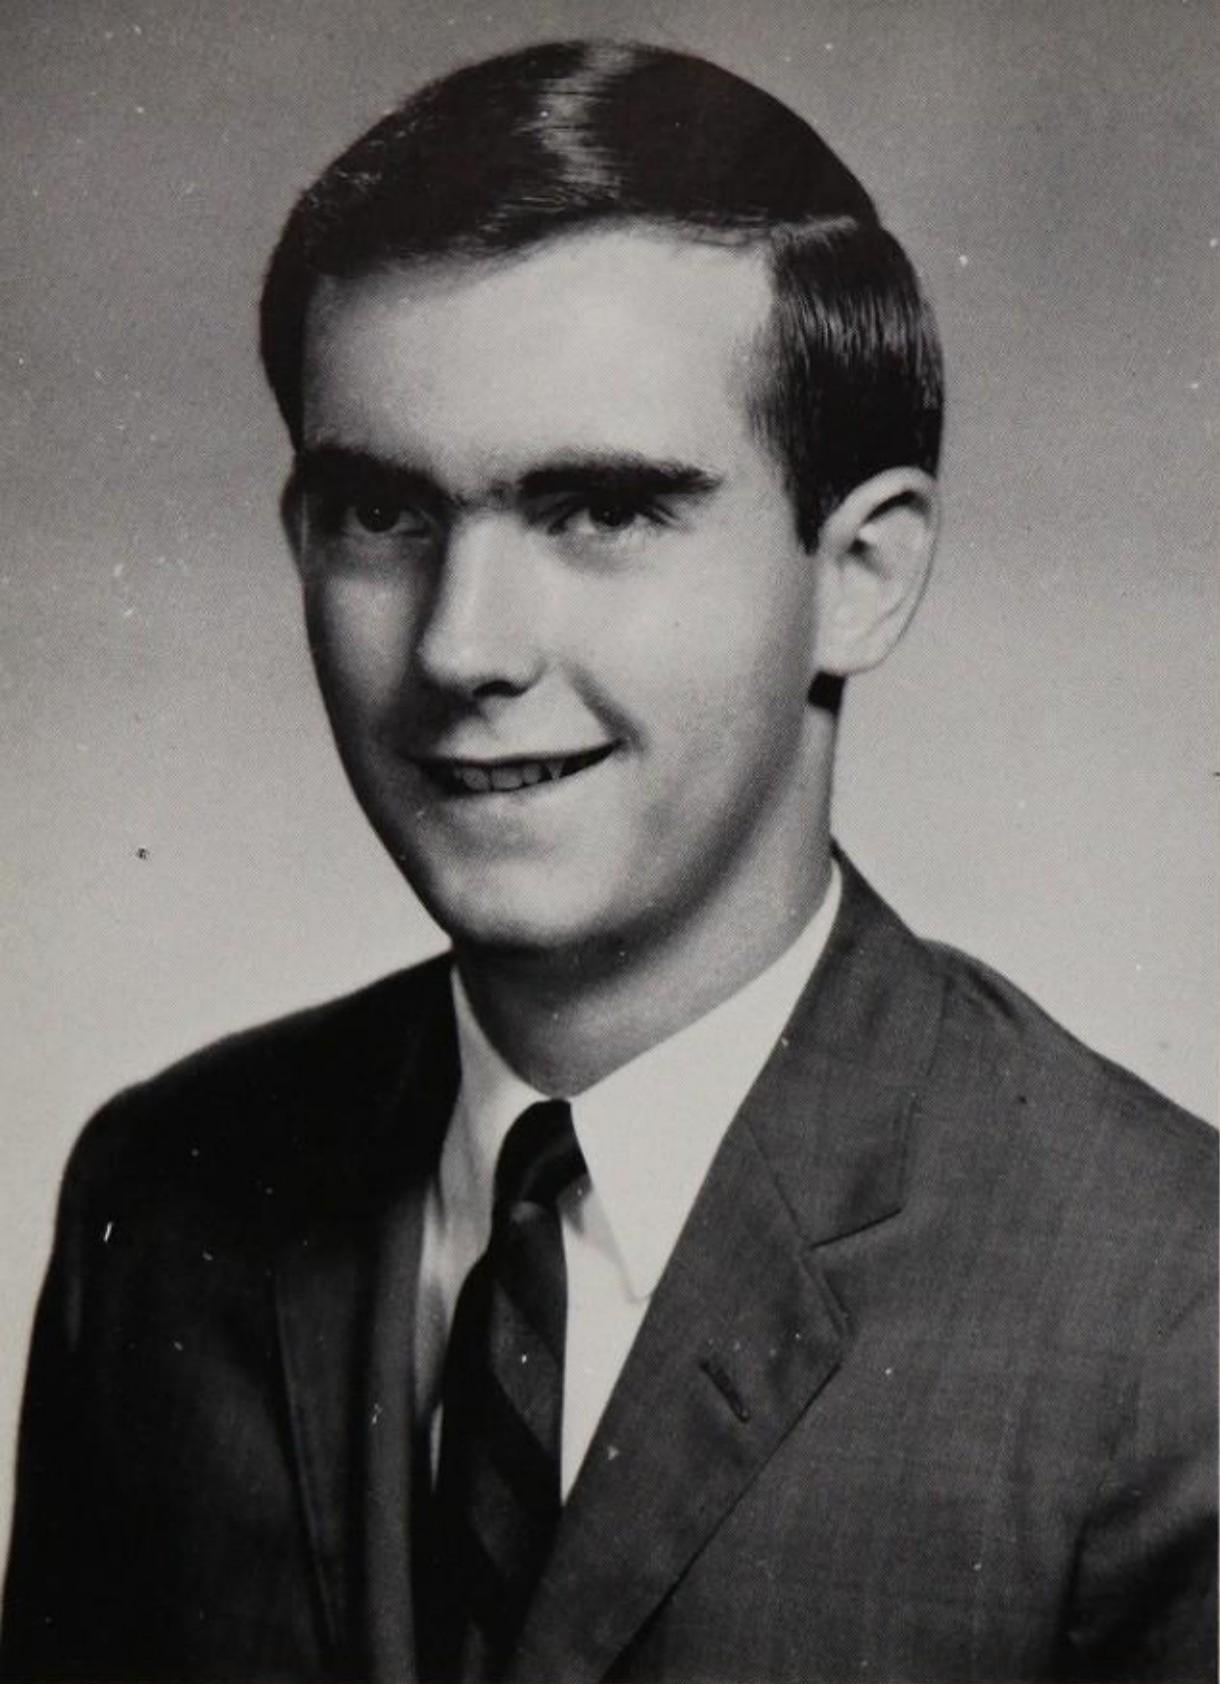

# **Jerome Joseph Frank, Jr.**

*Jerry Frank*

## Sophomore Class

TOM LANDRY, Secretary-Treasurer; STEVE MORRIS, Vice-President; BILL KOHLER, President

The Sophomore Class was anything but sophomoric in its playing an important part to make the school year a success.

Certainly the Class of '67 contributed to the success of all of St. Mark's many athletic squads. The class placed a number of its members on varsity teams, and the excellent tennis team was made up entirely of Sophomores. Sophomores were the backbone of every "B" team.

Sophomores held important positions on the ReMarker, the school newspaper, and the MARQUE, the literary magazine. The success of this year's young drama club was largely due to the work of members of the Sophomore Class, not only on the stage, but backstage as well. Both the Glee Club and the St. Mark's Band profited from the membership of Sophomores. Members of the class participated in the activities of a number of other clubs and organizations.

No class could have a successful year without its scholars, and the Class of '67 had no lack of these. The Sophomore Class, besides having many of its members on the Second Honor Roll, had one of the highest number of First Honor Roll scholars in the school.

The only event for which the Sophomores were entirely responsible, the class dance, was acclaimed by all.

Judging by this year's performance, the Sophomore Class should have no trouble in its supporting role as Juniors next year.

## Freshman Class

MICHAEL FRANK, Secretary-Treasurer; JOHN RAIN, President; LOUIS EBNER, Vice-President

This year the Class of '68 displayed an active interest in all facets of life at St. Mark's. The highlight of the year for most Freshmen was the annual Freshman Day. After a fall of constant harassment by somewhat over-zealous Seniors, the Frosh were happy to take their revenge by staging a "Chicago" style holdup and kidnapping the president of the Senior Class at the St. John's football game.

Despite the tensions aroused by such class struggles the Freshmen still managed to keep up with the most important part of school life—studies. The class consistently placed 30% of its members on the First and Second Honor Rolls. The ninth-graders also took advantage of their new status as upper schoolers to join many upper school extracurricular activities. They made up half of the Drama Club and participated in the Band, Choir, and ReMarker. Freshmen played every sport offered and, as spectators, their attendance at football games was unprecedented.

"Sorry, Mrs. Thomas, but your bingo card doesn't check out after all."

This year, as in past years, the St. Mark's Mothers' Club has performed many valuable functions for the school. The purpose of the Mothers' Club is to cooperate with the school administration on a social program for the students, physical improvements in buildings and grounds, and the achievement of school goals. Under the leadership of Mrs. Joe B. Alford (President) and Mrs. Charles W. Goyer, Jr. (Vice-President), the Mothers' Club has accomplished these aims.

"To answer that question about the Senior spring parties . . . well . . . they've been damned good!!

# Dads' Club

Mr. Ernest G. Mantz, President of the Dads' Club

The Dads' Club is independent of the school administration and the Board of Trustees, but is a valuable affiliate to the school. The membership of the Dads' Club is made up of the fathers of all St. Mark's students. The officers of the Dads' Club are elected each year by the members. This year the president is Mr. Ernest G. Mantz and the vice-president is Mr. Van C. Ellis.

The purpose of the Dads' Club is two-fold: to increase communication between parents and faculty members and to raise money for activities and equipment. To increase communication between parents and faculty, the Dads' Club this year held a series of luncheons for the fathers of students in each grade and members of the faculty associated with their sons. To carry out its aim of fund-raising, the Dads' Club staged its annual fund drive, raising over \$75,000, and put on its equally successful annual Field Day dinner and raffle.

The St. Mark's Student Council was set up primarily as a link between the administration and the student body. In the school year 1964-1965, the council not only made its influence felt in this capacity but also took part in other phases of school life.

The council organized activities in conjunction with football games, such as victory parties and the Homecoming Dance.

Besides administrative duties, the council also originated many of the ideas which led to changes in school life. In accord with the new building drive, the council made a donation to the proposed library. The funds for this donation came from the bookstore and also from the machines in the student lounge.

## Junior Rotarians

This year St. Mark's sent six seniors as Junior Rotarians to the downtown Dallas Rotary Club, and one other senior to the Park Cities Rotary Club. These Rotary Clubs, members of Rotary International, are businessmen's luncheon clubs whose purpose is to promote friendship and fair play among businessmen. Also, they serve to introduce high school students into the world of business by sponsoring for six week periods the attendance of a senior boy from each major Dallas high school at a weekly luncheon.

The Dallas Rotary Club, which meets at noon every Wednesday in a downtown ballroom, presents each week a prominent guest speaker. During the academic year 1964-65, these speakers have ranged from the Roman Catholic Bishop Gorman, just returned from the Ecumenical Council in Rome to ex-mayor and now Representative in Congress Earle Cabell. These guests give informal talks concerning affairs in the public domain with which they are closely connected.

In total, the experience that attending the Rotary Clubs in Dallas gives a boy is immeasurable. Besides being able to hear important speakers, these boys have the invaluable chance to meet the business leaders of our city.

## American Field Service

This year for the seventh time, St. Mark's participated in the American Field Service International exchange student program. Through this program high school students are afforded the opportunity to live with a family in a foreign country, to participate in their activities and observe their customs. This year's foreign student was Michael Schultz from Hellerup, Denmark. Mich lived with the Lynn Harris family. He quickly adjusted to American customs and the rigors of a Marksman's life.

AFS also sponsors a Summer Abroad program for American students. On this program Jerry Frank was sent to Sao Paulo, Brazil. He lived in the home of Dr. and Mrs. Joe Batista Mederios, with his Brazilian sisters and brother.

In the first half, the Lions had a 7 point lead going into the second half. The Lions never could increase their lead because of bad shooting and fast breaks by Mansfield. But the Lions overcame this and ended the game with Coach Adams playing the reserves. Bart Bookatz led the Lions in scoring with 21 points, along with Rusty Tremay with 18 and Tom Howard with 10. This left the Lions seasonal record at 7-3.

This Tournament is that the B Team is potential to have an excellent record with a fine coach and personnel.

**Lion Run Show Promises**

This year's cross country team, although mostly new, has shown outstanding continuous improvement in all meetings and times. The seniors Leslie Mock Howell has placed in first, 1A and 2A. Leslie has also been showing improvement year's times. Although forced to miss a few races because of injuries in recent meet, he is now ready. Tim, the leading runner this year, tremendous work by the top twenty in the Invitational and all periods by a big margin to come in sixth in Dallas meet. In the Invitational, Tim ran against North, Bishop Dunne and Bishop Prendergast.

The rest of the team, inexperienced, has a foundation for the season, since it is made up of freshmen and sophomore runners such as Jerry Pascual, who has only been out a month and placed an outstanding race against Bishop Dunne. Jim McCrum, who placed ninth against Bishop Dunne and sixteenth in the Jesuit meet,

St. Mark's 9th grade basketball team has compiled a 2-1 record thus far. The team opened its season at home with a 50-38 victory over Trinity Valley School of Fort Worth. Charlie Bush led a balanced scoring attack with 11 points followed closely by Dave Knox with 10 and Scott Heape and Mike Mullon with 8 apiece.

The Lions then ran into a tough Plano team and came out on the

The *Marque*, the St. Mark's literary magazine, was in its fourth year of publication this year. The purpose of the magazine is to give boys an opportunity to publish their stories, essays, and poems. Dr. Willis Tate, president of SMU, wrote the guest editorial. For the first time in four years illustrations were used in the magazine.

As in the past, the *Marque* remained primarily a Junior Class project. The Junior staff members were Harlan Cohen, Editor; Sean Mitchell and Jerry Kelley, Associate Editors; and John Goren, Circulation Manager. Senior advisers were Paul Munves, Robert Hoffman, and Tom Jones. Mr. Bound was Faculty Adviser.

This year the Student Council Bookstore was moved to larger quarters in a room next door to the lunchroom. This move was effected in order to accommodate the tremendously increased inventory of merchandise offered to the students. The Bookstore became another focal point of school activities in its capacities both as a bookstore and as a place where tickets to various functions were sold.

Under the management of Jonathan Winer, the bookstore made a sizeable profit for the Student Council, which uses the money for various school commitments such as the support of the American Field Service student each year.

Winer increased the bookstore's inventory so that a student could buy or charge anything he wanted in the way of school supplies from books to pencils. He also adorned the book stands with unrequired books in order to spur the students' interests beyond the assigned reading books. The bookstore also sold decals, pennants, athletic equipment, and the well-renowned Senior class "shaving" mugs.

Bookstore Manager Jonathan Winer, checks the mail with Tom Amis.

# Lettermen's Club

The Lettermen's Club became a more active and responsible organization this year with the drafting of a new constitution. Qualifications for varsity lettermen were set down to maintain the integrity of the institution and minor organizational changes were made for the sake of convenience.

The regular responsibilities for student transportation to out-of-town contests, the Athletic Banquet, and field day were carried out successfully. A ceremony in honor of the fathers of the football players was conducted on the evening of our game with Kincaid of Houston, which ended in victory for the Lions, much to the satisfaction of father and son alike. In February the Lettermen hosted the S.P.C. basketball and soccer tournaments. The Lettermen also devoted their meagre profits from student bus trips to the improvement of the trophy cases and record boards in the front of the gymnasium.

More important than these commitments, the Lettermen's Club fulfilled its most important responsibility of existing as an organization of St. Mark's athletes.

The St. Mark's Band, numbering some 42 students, had its most enjoyable and most profitable season this year. Officers elected by the band were Mike Winsor, Charles Pester, and Larry Shelton. Mr. Mario Foster directed the band.

In the fall, the band attended all conference games both at home and away. These games were highlighted by such numbers as "Hello, Dolly," "Walk on the Wild Side," and "This Could Be the Start of Something Big."

On November 11, the band was privileged to perform at the opening of "My Fair Lady" at the Tower Theatre. Much of the music from the show was performed by the St. Mark's Band.

The annual Christmas Concert was held on December 11 in the St. Mark's gym. The concert ranged from classical to light music with the "Processional March" from "Die Meistersinger" and Henry Mancini's "The Pink Panther". Also performed was a drum solo by Henry Gottlich, "Bill Bailey".

During the spring, the band participated in the SMU Band Contest as well as giving the annual Pops Concert. At this concert such numbers as "West Side Story" and "Bolero for Band" were performed. Also featured was a trumpet solo, "Bugler's Holiday," by Charles Pester, Larry Shelton, and Bill Cook.

This has been an important year for the Drama Club, and under the direction of Mr. Vintcent, the theatre has become recognized as an important part of the St. Mark's Community. Several unusual and exciting productions were undertaken, and a new and positive relationship between the drama clubs of Hockaday and St. Mark's was established.

In early November the Hockaday and St. Mark's drama departments combined to present "An Evening of One Act Plays". St. Mark's presented *The Devil and Daniel Webster*, directed by Mr. Vintcent; while Hockaday did *Riders to The Sea* and *The Bald Soprano*. Using students from both schools, the productions were successful in establishing a relationships not only between the drama departments, but between the schools. Artistically, the plays were not as successful as they might have been.

In December, Dylan Thomas' *Under Milkwood* was presented at St. Mark's. This play represented a very bold move on the part of Mr. Vintcent, for it is not a play in the accepted sense of the word; it is rather a "tone poem." By doubling and tripling the parts and by using girls from several high schools in the vicinity, *Under Milkwood* was produced just before Christmas, and helped to raise much enthusiasm for drama here.

In April, Robert Bolt's play *A Man For All Seasons* was produced at St. Mark's. This play, dealing with the refusal of Sir Thomas More to accept Henry VIII's divorce from Catherine of Spain, and the ensuing severance of the connection with Rome is very demanding on the actors for they must capture the essence and moods of very complex characters. Again, girls from Hockaday play the female roles, and many hands will be helping in all areas toward the success of this production, especially in the sewing and preparation of costumes.

As its final production of the year, the drama club presented *Everyman*, a morality play, in early May. This play is an allegory, and was put on during Fine Arts Week, with a final performance at the Museum of Fine Arts.

The International Club, formed this year, quickly grew in size and in stature on the campus. The club was established to allow Marksmen the opportunity to meet foreign visitors and to discuss international problems. Working with the American Field Service, the United Nations, and the Dallas Council of World Affairs, the International Club was successful in its attempt to broaden its members knowledge of world events and problems.

On the 10th of August the Marksmen began their football season. Two-a-day practices followed for the next three weeks in the hot Texas sun. Though the temperature was over 100 all the Lions worked hard toward their third straight conference crown. Bruises and sprains were the result of the tremendous effort put forth by the Lions. Their effort was rewarded with the conference co-championship. More important, this group of boys welded themselves together, through sweat and spirit, to bounce back from two early season disappointments, into the most spirited team St. Mark's has put on the field. This team never quit, and always came back fighting when things looked darkest, at Jesuit, Bishop Dunne, and Casady. It was a team that received the greatest amount of praise in history. Eleven members were All-Conference selections, ten All-City Prepsters, four All-Metropolitan players, and four All-Greater Dallas selections.

The Lions opened the season with an easy 32-6 victory over the Pilot Point Bearcats. The Marksmen scored the first four times they had possession of the ball. The first drive began after Ben Ferguson picked off the first of four interceptions by the Lion secondary. With Ferguson making the big running plays, the Lions scored quickly. Ferguson scored from the five. The Lion defense held the Bearcats, and the St. Mark's offense went back into action. After receiving a key block from Tom Jones, Bill Perkins raced 55 yards on a counter play for the next score. After a 37-yard pass from Tom Kohler to end Rob Heyer, Ferguson scored once again on an eight yard jaunt.

The next Lion score came after a 52-yard drive in eight plays. Rusty Trenary made that score on a 24-yard pass play from Kohler. The final Lion touchdown came as captains Kohler and MacAdams connected on a 51-yard pass play.

With the second and third teams in the game, Pilot Point scored in the final period . . .

The Lions' second victory came at Burk Burnett, where a fierce defense and an overpowering aerial game proved too much for the Bulldogs. The Lion defense, led by Tom Jones, Bob Mathes, Paul Munves, and Ben Ferguson, stopped a fine running game. Against a stiff wind in the first quarter, the Lions couldn't move the ball. In the second quarter, the Lions quickly took advantage of the wind and went to the air. The aerial attack began with Tom Kohler hitting Rob Heyer for 30 yards and the score. Kohler kicked the extra point. After recovering a Bulldog fumble, the Lions went to the air again, with Mike MacAdams scoring the second touchdown on a 23-yard pass from Kohler. As if this weren't enough, the Lion captains Kohler and MacAdams connected on a 73-yard pass-and-run touchdown play. The final score came as Kohler made a four yard jaunt to paydirt. The unsung hero was Rusty Trenary who had two touchdowns called back. Once again the opposition scored in the final quarter against the substitutes . . .

The Lions went to Highlander Stadium hoping to break a streak of losses against the Jesuit Rangers dating back to 1957. What they encountered was entirely unexpected. The Rangers scored quickly behind the powerful end sweeps of quarterback Bill Lalla. Minutes later, the Rangers scored again after a long punt return. Behind 16-0, the Lions got into the scoring column. This time Kohler was trapped behind the line, but, with a tremendous block by Bob Mathes, he managed to break free and find Rusty Trenary behind the Jesuit defense. Sixty yards later the Lions had six points. The second Lion score came on a 5-yard pass from Kohler to Mike MacAdams after a long drive. Dropped passes and interceptions in the final half contributed heavily to Jesuit's high score. Stellar defensive play was turned in by Paul Harris, Paul Munves, Tom Kohler, and Ben Ferguson . . .

Still recovering from the loss to Jesuit the week before, the Lions were upset by a scrappy bunch from Bishop Dunne. The Dunne defense, aided by three St. Mark's fumbles, held the Lions to minus one yard rushing and only one first down in the first half. With the ball continually in the Falcons' claws, the Lion defense was outstanding. But, with five seconds remaining in the first half, Dunne kicked a 27-yard field goal which proved to be the winning margin.

Dunne scored early in the second half. In the fourth quarter, the Lions moved to their only score behind the passing of Tom Kohler and the receiving of ends Mike MacAdams and Rob Heyer. The Lions' defense held Dunne once more, and with 5:32 remaining in the game, the Lions started their drive which moved the ball 73 yards to the Falcon 2-yard line. But the drive died with 1:55 remaining. The Lion defensive unit was led by Tom Jones, Bob Mathes, and Paul Harris . . .

## St. Mark's 33

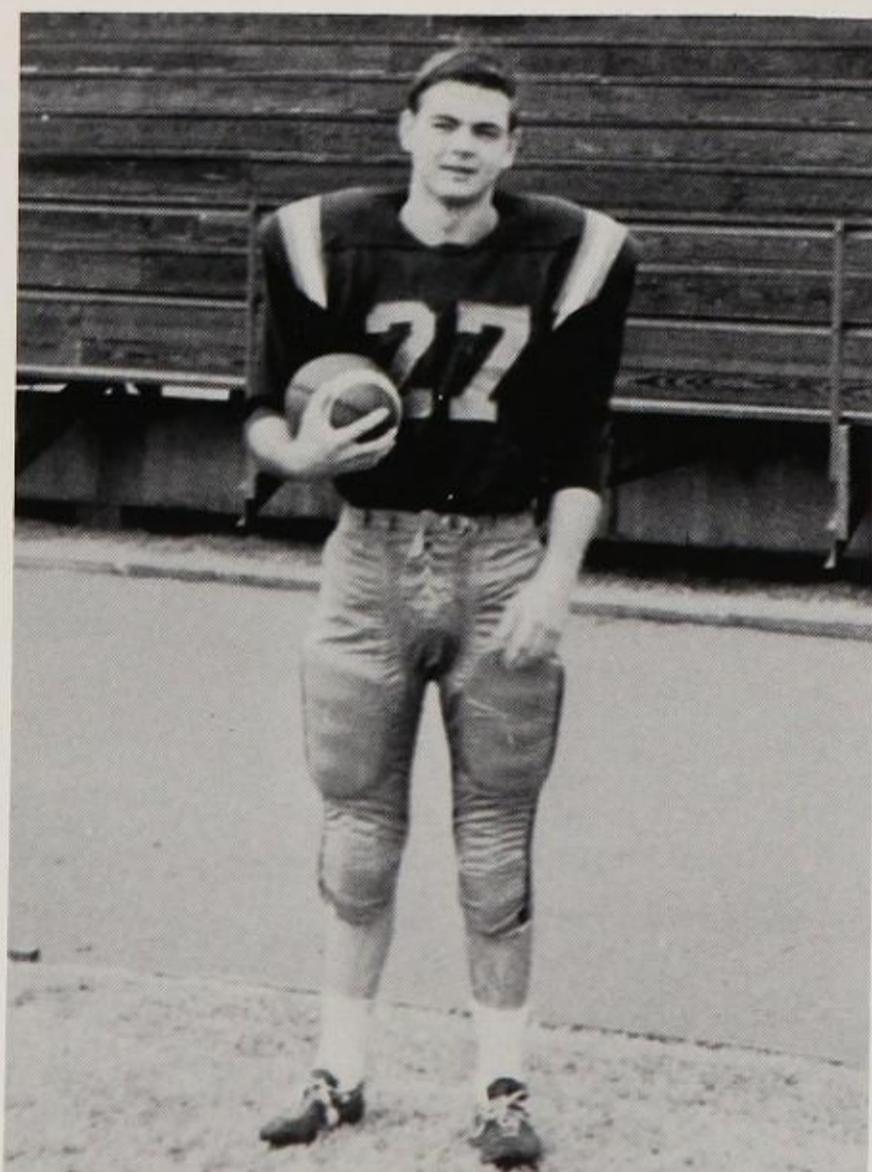

The Lions flew to Houston where they showed the effects of their week's layoff. The Marksman played a ragged first half, but Bob Rozelle soon scored by slashing off right guard for 25 yards. The Pioneers came back with a T.D. to make the score 7-6. The Lions retaliated in the second quarter after an awesome display of running power. On four successive plays the Lions scored from 20 or more yards out only to have each one called back. They finally scored on a two-yard dive by Kohler.

In the third quarter the Lions found their old form. They drove quickly down the field and scored on a 22-yard pass from Kohler to Heyer. Perkins then scored on a four-yard run. The "B" team added the final score as Bill Clarkson rolled to his right on a halfback pass and hit Greg Nobles 8 yards away in the end zone. Lutheran scored late in the fourth quarter on a 62-yard pass interception.

The Lion offense was led by Bill Perkins, with 125 yards rushing, and Ben Ferguson, with 115, while the defense was led by Tom Jones, Paul Munves, Paul Harris, and Mike Klein . . .

With Bill Perkins and Ben Ferguson doing the running and Tom Kohler the passing, the Lions rolled to a 33-16 win over the fired up Spartans from St. Stephen's. Trailing 8-0, St. Mark's got moving on the slashing runs of Ferguson and Perkins. The left side of the offensive line, consisting of Rob Heyer, Bob Mathes, and Tom Jones, continually opened gaping holes in the Spartan defense. The first score came on a quarterback sneak by Kohler and was soon followed by a second on a 55-yard pass from Kohler to Mike MacAdams. Moments later, Perkins swept left end for the Marksmen's third touchdown. A Kohler to Heyer pass was good for the two point conversion as the Lions scored twenty points in the second quarter.

In the second half, Kohler scored again on a sneak after he had returned a partially blocked quick-kick. After Perkins had a 55-yard touchdown run called back because of clipping, the Lions moved to the St. Stephen's 11-yardline. From there Kohler passed to Rob Heyer for the final touchdown.

On defense the hard charging line, composed of Jon Winer, Harvey Jury, and Bob Mathes, along with linebacker Tom Jones, stopped the Spartan offense short of the Lion goal . . .

St. Mark's fans sitting in Bailey field witnessed one of the greatest team efforts of any Lion team. With the conference leadership at stake, and all preparations bent on stopping Dan Van Winkle, the Marksmen came through like the champs they were.

St. John's took the opening kickoff and drove to the twelve yard line. Van Winkle dropped back and threw a pass into the end zone where it was intercepted by Tom Kohler. From the twenty, the Lions started their finest drive of the year. With the holes opened by the line and the determined running of Ferguson, Rozelle, and Perkins, the Lions moved the eighty yards on the ground. The score came on a two-yard dive by Kohler.

The Rebels came back after a 53-yard run by Van Winkle to score on a quarterback sneak. Van Winkle kicked the extra point for a 7-6 lead. The Lions drove back with Kohler breaking loose for a thirty-yard touchdown run. Perkins ran over the two-point conversion.

After Ferguson intercepted a Van Winkle pass on the Lion seventeen, Kohler hit MacAdams on an 83-yard pass-and-run scoring play. The Rebels came back to score just before the end of the half on a quarterback sneak to make the score 20-13.

In the second half, Bill Perkins broke loose for a 64-yard touchdown, giving the Lions their winning margin. The Lion defense, led by Jones, Mathes, Pete Lucas, Kohler and Ferguson, held the Rebels in check until Van Winkle threw a 67-yard touchdown pass with two minutes remaining . . .

The Lion Homecoming proved to be a double treat for the Marksmen alumni. The Lions not only won 27-6 but clinched a tie for the conference title for the third straight year. The Lions soon found they could not run against the rugged Kinkaid defense. With Kohler finding his receivers open time and time again, the Lions passed their way to victory. Kohler hit 11 out of 22 passes for 180 yards and one touchdown, a ten-yard shot to Rob Heyer. Kohler passed to Perkins for a two-point conversion. The first touchdown came after a 24-yard pass to junior Pat Jacobs, who was tackled on the four-yard line. Kohler, playing fullback, blasted over left tackle from there for the score.

The key defensive stand of the game came following the kickoff. The Falcons had a first-and-goal situation on the four-yard line where the defensive efforts of Jones, Mathes, Harris, Munves, and Morris slammed the door.

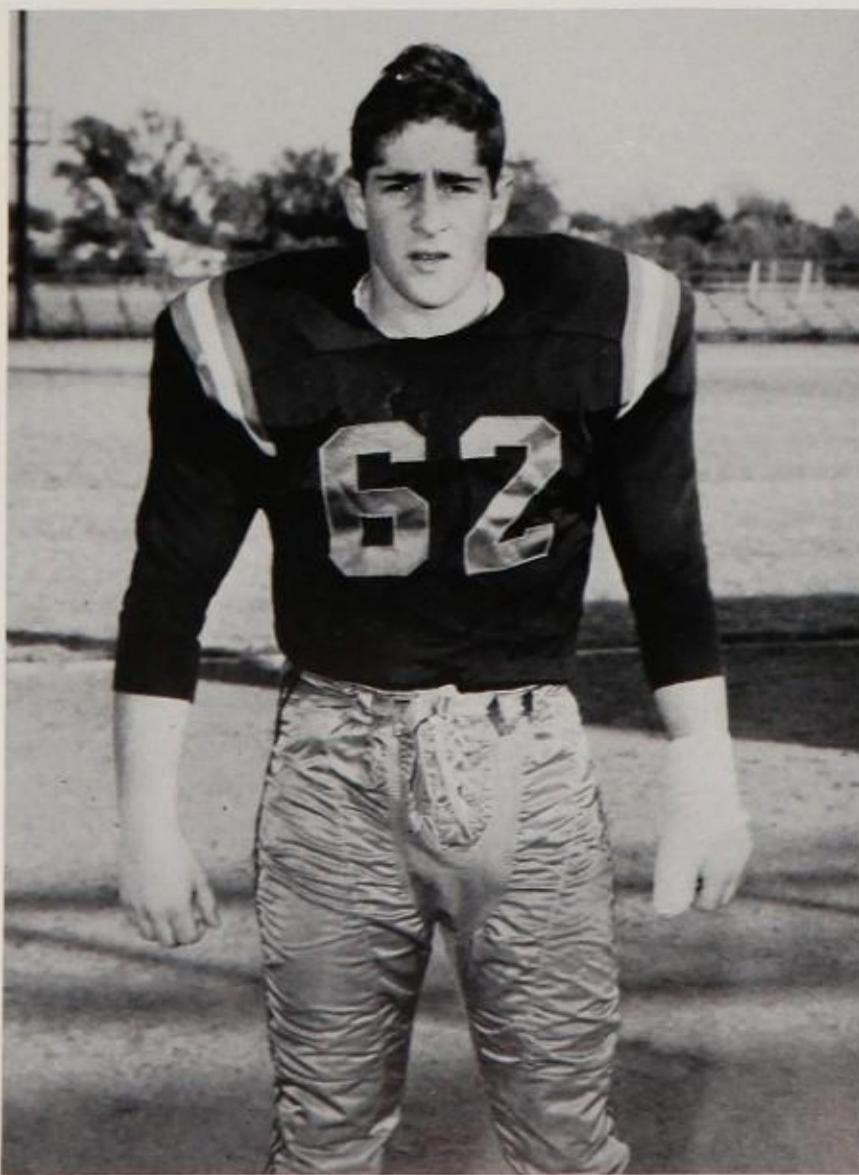

The defense stopped another Falcon drive when Jones intercepted a pass on the 17-yard line, setting up the first Lion scoring drive.

Kohler scored again from two yards before the half as the Marksmen went into the dressing room with a 20-0 lead. Robert Mathes opened the third quarter by recovering a Kinkaid fumble on the Falcon 18 yard line. Kohler made eight yards on a keeper before Ferguson raced 10 yards on a counter play. Kohler kicked the extra point.

# Casady Penalizes . . .

By TOM WILLIAMS  
Staff Writer

OKLAHOMA CITY — Good sportsmanship is what every football coach tries to teach his players. "It isn't whether you win or lose, but how you play the game" —so the saying goes.

Well, it's a good thing that Coach Roger West teaches his St. Mark's Lions that winning isn't all that important. For if he didn't, all heck could have broken loose here Friday night.

Everything went wrong for the Lions against the Oklahoma City Casady Cyclones in the two teams' finale of the season. The Cyclones won the game, 30-6, to garner a tie with St. Mark's for the Southwest Preparatory Conference championship. Each team finished the year with a 4-1 conference mark.

The game was a penalty-marred contest with St. Mark's ending up on the wrong side of the officials. Twenty-three times, the red flag fell against the Lions and on 13 of these occasions, Casady took the penalty. The infractions came at crucial times, too. Either stopping a Lion drive or giving the Cyclones new life.

When you consider that the Lions had only been penalized 49 times this season, you wonder if these calls were justified. Even Cyclone coach Hoot Gibson was heard saying after the game that the officiating was "pretty bad."

But the Lions, gentlemen that they are, merely went along with the officials and suffered their first conference loss. St. Mark's hadn't won the SPC crown outright in 10 years and the Lions' loss against Casady was a bitter pill to swallow.

Despite the number of penalties, the game featured several outstanding players and plays. Cyclone fullback Steve Kirkpatrick led the Casady scoring, tallying touchdowns on runs of five and 58 yards and racking up a two-point conversion.

He was joined by quarterback Gary Brown who also scored two touchdowns on runs of three and 10 yards. The Cyclone' other score, a two-point safety, came when guard Bob Stroud blocked a Tom Kohler punt out of the St. Mark's end zone.

only touchdown when he went across from one-yard out late in the second quarter after Casady had taken a 14-0 lead. Due to a wet ball and a slippery field, caused by four straight days of Oklahoma rain, Kohler had a rough time passing, hitting only three receivers in 15 attempts.

The Lion quarterback did manage to gain 41 yards rushing and was joined in this department by Ben Ferguson's 52 yards, garnered on 13 carries. Kirkpatrick led all rushers, picking up 126 yards 19 steps.

St. Mark's, who trailed by only eight points, 14-6 at halftime, began the second half as if they might make a game of it. Bill Perkins returned the kickoff to the Lions' 39-yard line. With Kohler and Ferguson eating up the yardage, St. Mark's went all the way to the Casady 32-yard line

before a fourth-down Kohler fell incomplete.

The next time they got the ball, the Lions again began to move, but two offsides penalties stopped their drive. Finally, after a scoreless third quarter, Casady scored with 9:30 remaining in the final quarter to increase its lead to 20-6. The Lions came back, but again two more penalties hurt their chances.

The Cyclones scored minutes later on Stroud's blocked punt and more Lion penalties stopped St. Mark's. Finally with 35 seconds remaining in the game, Casady's Brown circled left end for 10 yards and the final score.

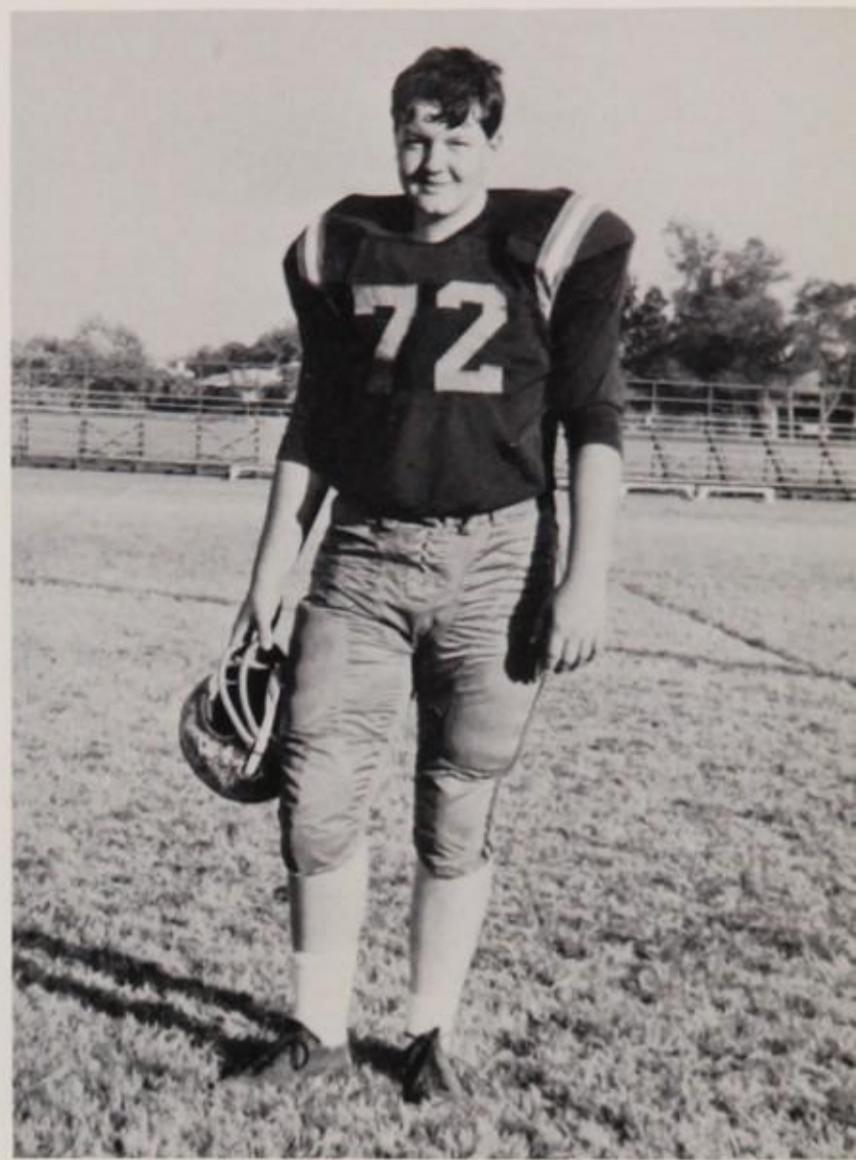

St. Mark's had time for two more plays. Gary Baldwin gained seven yards and then gained four more. But it was too late for the Lions. The only consolation they had at this point was that there was no red flag on the field as the contest ended.

The St. Mark's B-Team concluded its first winning season in several years with a final record of 3 victories, 2 defeats, and one tie. In the season opener the Lions trounced the Bishop Lynch Friars 21-6 with hard-running Andy Jackson leading the way. Jackson scored one of the three Lion touchdowns and amassed nearly 100 yards rushing for the game. The outstanding defensive work by Pete Lucas and John Threadgill paved the way for the B-Teamers second victory, this time over the Lewisville Farmers 20-12. These two excellent linemen blocked punts and made numerous tackles to provide the offense with several scoring opportunities. Quarterback Tom Landry pushed over for the first score on a one-yard sneak, and halfback Andy Jackson raced for 40 and 55 yards for the other two Lion TDs.

The B-Teamers suffered their first defeat of the season by dropping a squeaker to Waxahachie 12-10. Two long passes proved the difference for Waxahachie as the Lions controlled the ball and the game for most of the night. The B-Teamers evened their record at 2-2 the following week by losing 18-7 to the Forney Jackrabbits. Forney was able to forge an early lead in the first half and managed to maintain it for the remainder of the game.

The SM offense got moving the following week, however, and led the way to a 39-6 stomping of Dallas Christian. Many B-Team backs placed themselves in the scoring column, with quarterback Tom Landry accounting for two TDs; Jackson, Bill Kohler, John Garnsey, and John Stull scored one apiece. Bart Bookatz, the B-Team's place-kicking ace, booted his fifth conversion and narrowly missed a 41-yard field goal, which would have set a school record. The B-Teamers finished the season with a disappointing 6-6 tie with the Jesuit Rangers. Both teams showed little offensive punch and much defensive determination. A great portion of the credit for this season's impressive record must go to the defensive line which turned in brilliant play throughout the year and to two fine coaches, Mr. Batchelor and Mr. Wood, who did an outstanding job.

# S.P.C. Champions

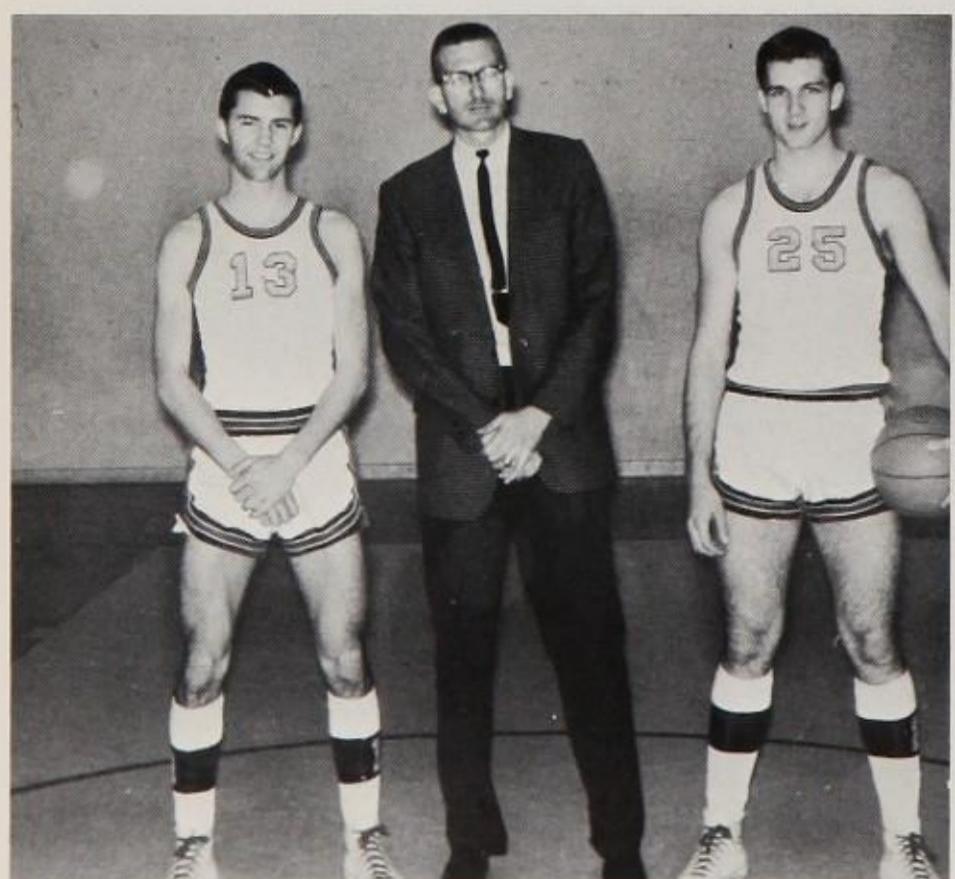

L. to R. TRENARY, BOOKATZ, CRONIN, HOWARD, KLINE, RATHMANN, COACH BLAKELEY, MORRIS, KLEINSCHMIDT, WRIGHT, HIRSCH, KOHLER, OLSON. Kneeling: Managers KUHNE and LELAND.

At the beginning of the year, Coach Blakeley told his boys that he thought he had the makings of a fine team, and with hard work could produce a successful basketball season. The young Lions, consisting of only three seniors on the twelve-man squad, made up their minds to give the supreme effort, the result was a 27-9 season record and the first S.P.C. Championship since 1962. Four Lions placed on the all-conference team, senior co-captain Don Kleinschmidt (12.3), junior Craig Rathman (15.6), and sophomore Dave Morris (13.7), who was the only unanimous selection. Junior George Olson made the second team supporting a 10.7 season average. The fifth position in the starting lineup was shared by seniors Ted Wright (co-captain) (4.8) and Tom Kohler (4.2), and junior Albert Hirsch (5.8) who came on strong in the latter part of the season.

Many AAAA teams were on the Lion's schedule and the team showed they could play with the best. Of the nine losses, the Lions suffered three defeats in overtime, and four other defeats by six points or less.

Disappointment was evident in the Dr. Pepper Tournament. After a heartbreakng overtime loss to Sunset, Dallas South Zone Champions, the Lions were eliminated by Grand Prairie in the next contest due to illness to eight of the boys and the coach.

Highlights of the season were the seven-point victory over the North Zone Tri-Champion Samuell and the winning of fifteen of their last seventeen games. Early in the year, St. Mark's placed second in the Lancaster Tournament falling in the finals to Corsicana, a powerful AAAA school, 37-33. Dave Morris and George Olson made the all-tourney team. With nine returning lettermen, including four starters, the Lions should have one of the finest teams in North Texas next year.

The soccer team overcame the tremendous problem of losing all but five lettermen and returning only two experienced seniors to finish second in the SPC. The conference tournament in February resulted in three wins for the Lions, and only a January loss to Casady of Oklahoma City kept them from a third consecutive championship. This is an outstanding achievement for a team led by sophomores and juniors. Their consistent level of excellence in conference play is indicative of the improvement they made in the course of the year. A pre-conference record of one win, nine losses, and one tie in the semi-professional Dallas Soccer Association does not seem productive. It was, however, an invaluable exposure to

European soccer technique and provided the experience necessary for any team of young athletes. The quality of this experience is evidenced by the number of all-conference players produced by the Lions. Sean Mitchell, Dick Wincorn, Eric Nye, and Tom Jones all gained all-conference Honors.

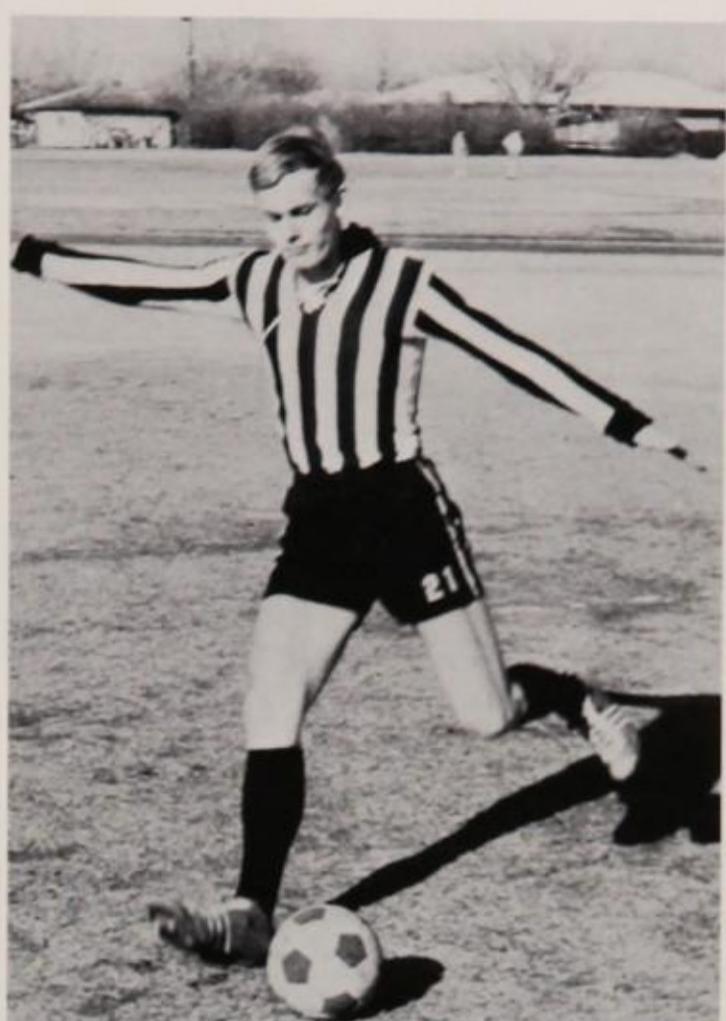

The soccer team will graduate only three lettermen this year and promises to return a highly experienced group of seniors as well as the usual foundation of willing underclassmen.

Once again the swimming team had an unbelievable season. Many of the best swimmers came back for their second or even third year, while a good-sized crop of freshmen joined the team. Also Mr. Wood became the very much needed diving coach.

Coach Whatley along with co-captains Underwood and Hackbart expressed his optimism for the season even after a rather merciless slaughter at the hands of Arlington State College. But nothing could dilute the high spirits of the St. Mark's swimming team as it went on to drop its next meet to Paschal 64-31. The week after the Paschal meet, the SMU freshmen tried their luck with St. Mark's and miraculously pulled through with a victory. Highland Park next conjured up enough courage to face us and was able to come up with a slight winning margin.

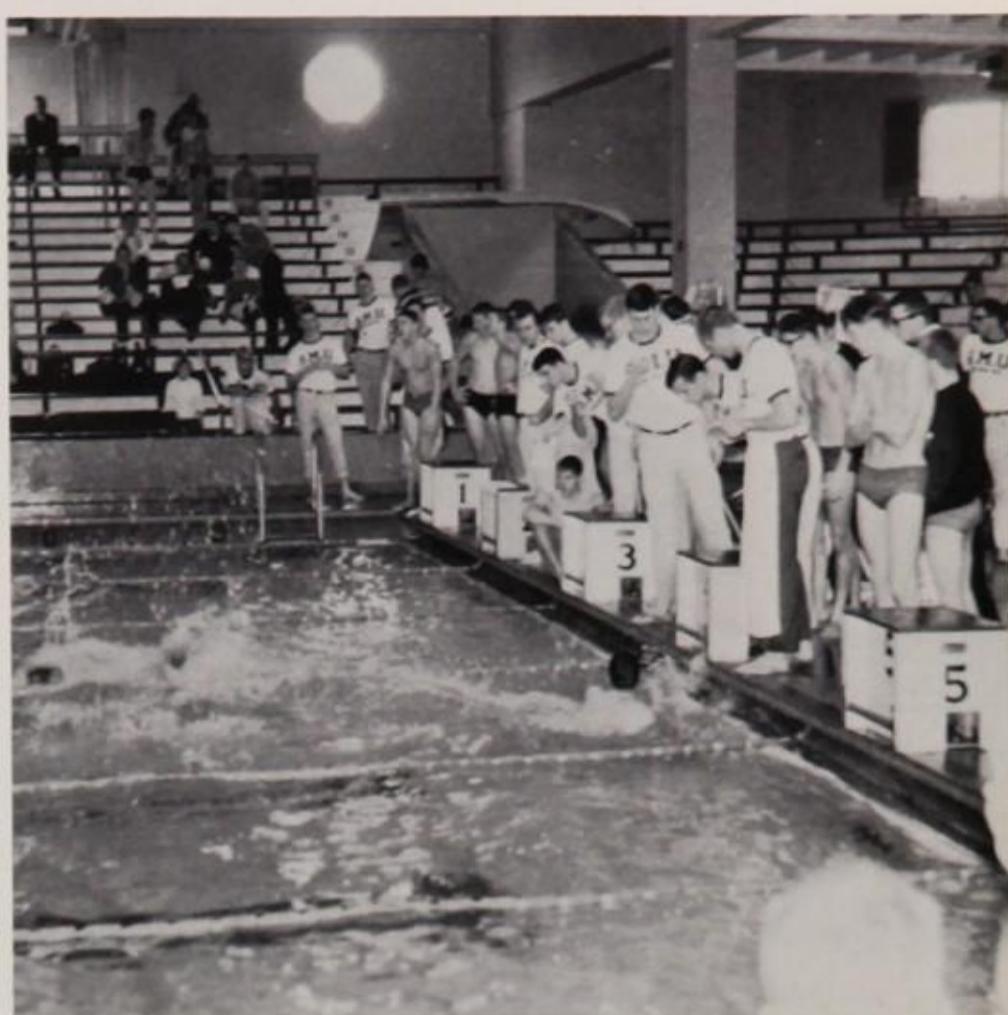

St. Mark's then ventured to the High School Invitational meet at the University of Texas. The 200

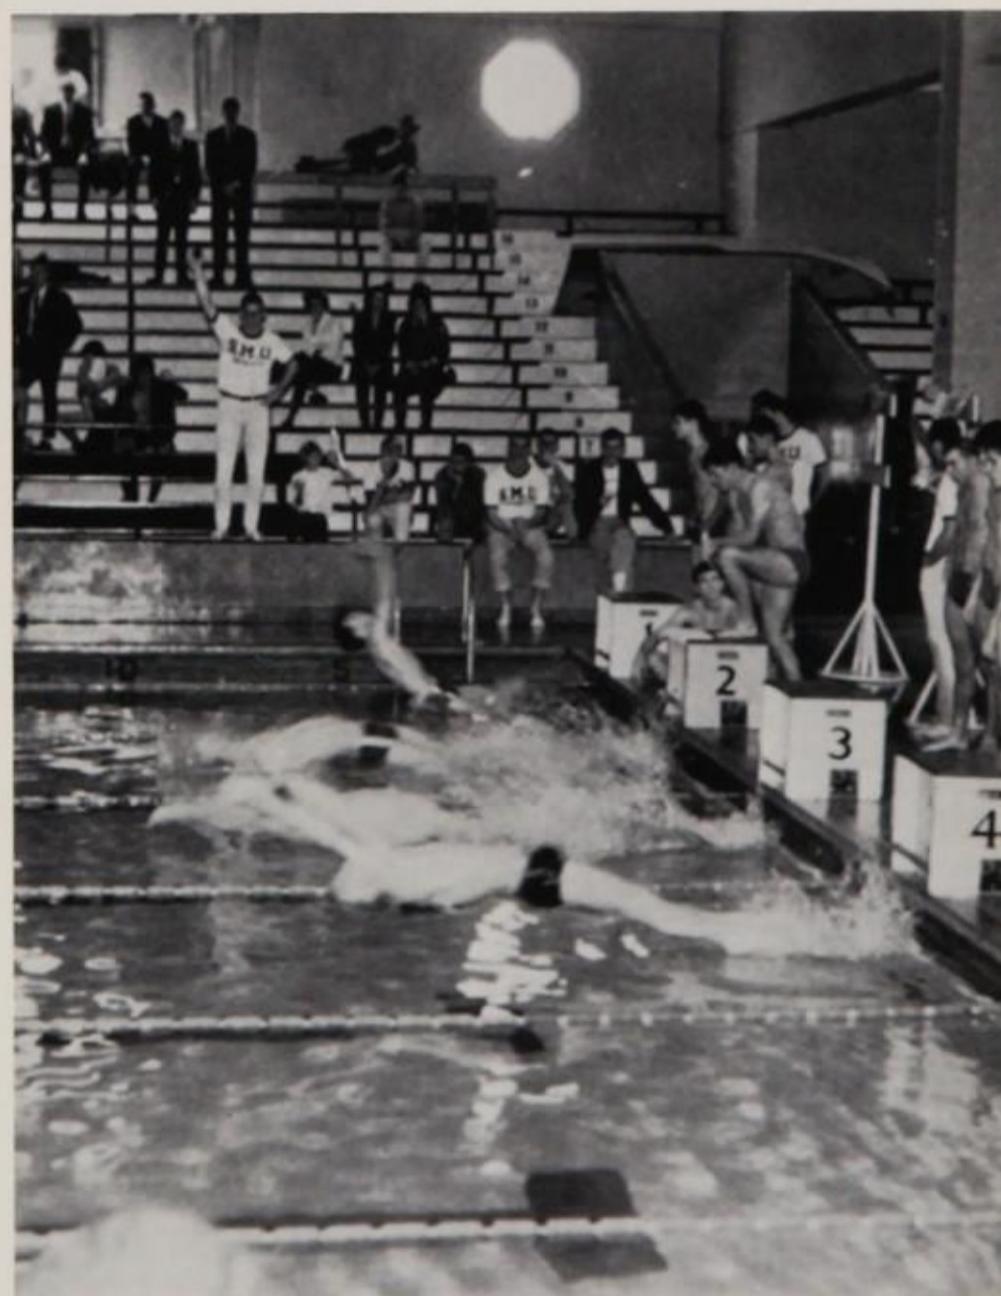

Lion coaches Mr. WOOD, and Mr. WHATLEY with manager RANDY WILSON.

yard freestyle relay would have qualified for the finals had it not been somewhat over enthusiastic in jumping the gun. George Underwood had a time of 1 min. 5 seconds in the 100 yard butterfly which bettered his previous time by more than one and a half seconds. Paul Hackbath was awarded the John T. Whatley rat fink award for getting his name erroneously put on the list of the finalists. Unfortunately, the mistake was discovered before any damage could be done.

Much to the chagrin of the swimming team this article was written with five meets left in the season. The first was a dual meet with Thomas Jefferson and Paschal. The second was with Hillcrest, whose swimming team was just organized this year. Two more meets were with Rider High School of Wichita Falls, and the last meet was with Highland Park.

# Fencing

Front Row, left to right: GILES, SHINER, BENNETT, SEMOS, LOGAN, WILLIAMS.  
2nd Row: M. NEVOT, MOORE, KAHN, PAYETTE, MINZER, HOOTKINS, GEYER.  
3rd Row: VOGEL, MAXSON, HOFFMAN, RUSSELL, CALDWELL, WINSOR.

For the first time, due to the efforts of John Byrne, the director of the athletic department, fencing has been introduced as a varsity sport to St. Mark's. A section of the gym has been remodeled to accommodate the equipment and to serve as practice space. Monsieur Daniel Nevot has been engaged by Mr. Byrne to give lessons and oversee activities for both middle and upper school boys who participate in fencing. Monsieur Nevot is a former officer in the French army and has three Croix de Guerre to his credit as well as being a black belt belt judo instructor. Having just arrived last summer, Monsieur Nevot speaks little English so the French students get a workout in French as well as in fencing. One of the more effective methods Monsieur Nevot has of transmitting information to the non-French speaking students is by a healthy wack to the arm or hand with his blade when an error has been committed; progress is usually swift. Father Jerry Foster, the new ethics teacher, serves without pay as a

liaison man between Monsieur Nevot and the various equipment suppliers, the school, and at times serves as an instructor in his own right since he fenced for several years in college. Father Foster is also president of the Dallas YMCA Fencers, the most important fencing club in North Texas and the sponsor of most of the tournaments attended by St. Mark's students. A fencing tournament is a strenuous business since it begins at 10:00 A.M. and never ends until at least 7:00 that night; tournaments have been known to continue into the wee hours of the morning. So far the team as a whole has entered only two meets but it won six out of nine places in three events:

M. NEVOT, WINSOR, BENNETT, RUSSELL, FR. FOSTER  
Kneeling: MAXON, PAYETTE, LOGAN

FATHER FOSTER

BOBBY RUSSELL

three first places, one second, and two third places. One member of the team, Bobby Russell, has attended several tournaments individually representing St. Mark's and has won five events, placed second in two and placed third in two.

There are three varieties of fencing; foil, epee, and saber. In foil only the trunk of the body is valid target and only touches that land directly to the target area are valid; a touch to an off target area is invalid and stops the action. The rule of right-of-way holds for foil as does for saber. Right-of-way means that a person must parry an attack before he can repost because the attacker's touch has priority over the defenders in case they both hit. The epee is a heavier weapon than the foil and is the descendant of the classic dueling sword. The entire body is valid target area and there is no right-of-way; in other words, the first touch is good. The dueling saber is a light, thin bladed weapon with a guard that completely covers the hand. Touches may be scored with the front of the blade, the point, and the first third of the back of the blade on any part of the body but the legs. Foil has been the main weapon this year but Mr. Byrne hopes to branch out more next year into the others if he can obtain enough money to buy the needed equipment.

# Cross Country

Front Row, left to right: SANDERS, KAPLAN, HOWELL, HARRIS, WHITEHURST, BUCY.

The St. Mark's Cross-Country team in 1964-65 has come a long way since the start of the season, and has shown great possibilities for the next year. The team was led by coach Charles Bound who put them through unending workouts each afternoon for the six month season.

The outcome of a cross country meet is determined by the scores of the top four runners from each school, and although St. Mark's has a couple of outstanding runners, this year the team lacked good depth.

The early season consisted of local invitational meets including Kiest Park, St. Mark's Jesuit, and Arlington Heights Invitations in which the Lions ran against 3A and 4A schools. The Lions placed well in these meets, gaining experience, and placing Harris 5th and Howell 7th at Jesuit. Taking a squad consisting mainly of sophomores to Austin for the state meet, the SM harriers were ably defeated in class AAA.

In conference competition Coach Bound looked forward to a strong season, but plagued by injuries, the team placed second to Casady at the North Zone meet.

At the S.P.C. meet the Lions were defeated by St. John's and Casady, who showed their best teams since the start of S.P.C. Cross Country in 1961. With the return of the majority of the squad, and the addition of John Meyers, a basketball player who placed 4th at conference, next year's cross country team promises to be stronger.

# Boxing

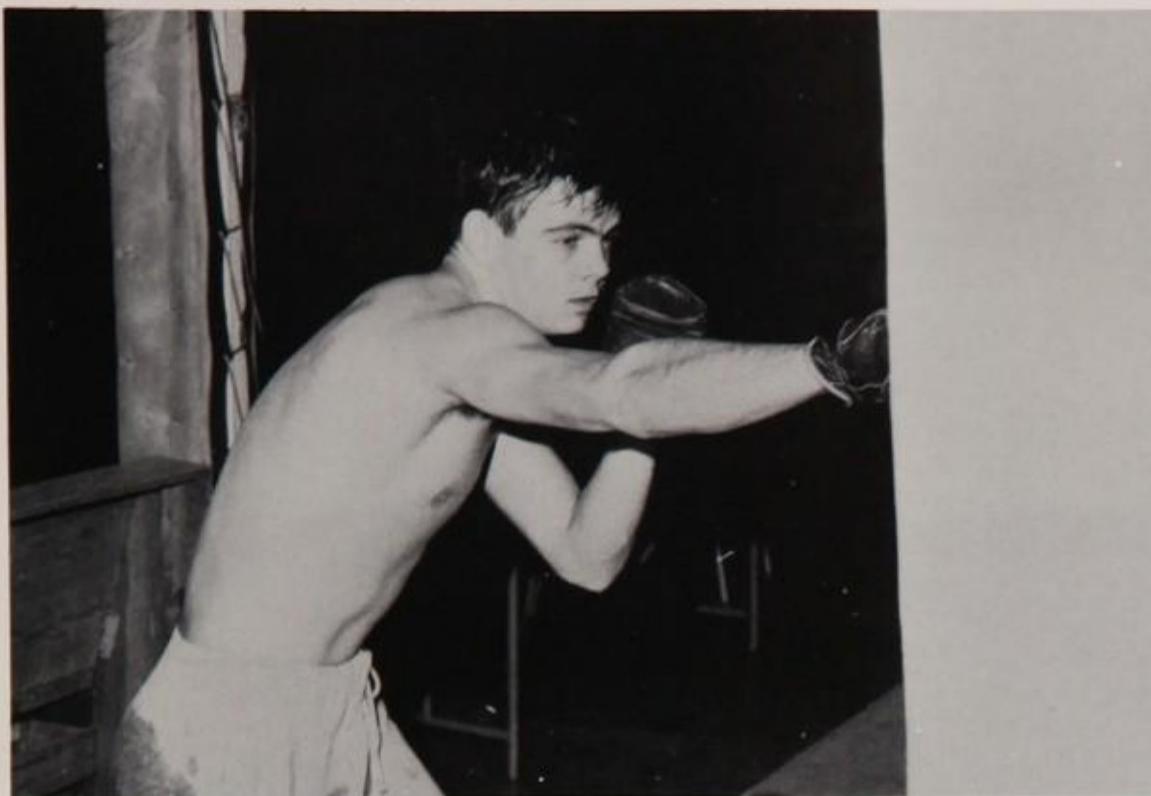

Left to right: PERKINS, LUTER, FERGUSON, CROCKER, COACH HOLLAND, LIVELY.

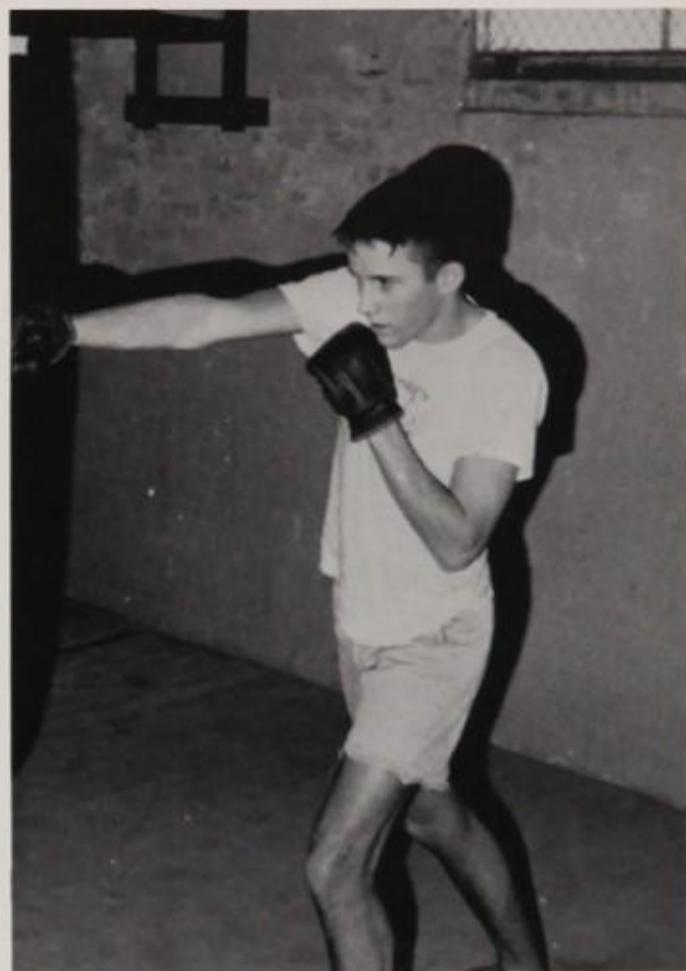

The boxing team, started last year, drew greater interest this year than last since a larger number of boys came out. The team, coached by Jack Holland, entered various boys in the boxing tournaments in the surrounding areas. Under Coach Holland's guidance, the Lion boxers ran from three to six miles a day. Following their running, they did exercises usually consisting of jumping rope and throwing the medicine ball against each others' stomachs. The boys then fought seven 2 minute rounds with the big bag and weights. The workout usually finished with the various members sparring against each other with headgears and sixteen ounce gloves.

Early in the year, the Lion team lost three fights and Ben Ferguson was the only winner in the Arlington National Tournament. Ferguson, the most active member of the team, lost in the Golden Gloves and the Brewer Quarterback Tournament. The final tournament at Farmers Branch saw the Lions split four fights. Perkins and Ferguson fought terrific fights for victories, with late comers Kleinschmidt and Morris losing in the heavyweight division . . .

Commonwealth National Bank has an unusual checking account designed specifically for this purpose.

We call it a "Cap n' Gown" account.

It's a fully personalized account for young people up to 21 years of age or until completion of education - whichever comes last. It includes personalized checks, deposit slips and a complete briefing by a member of our staff on the basics of banking.

There are no service charges or minimum balance requirements in a Cap n' Gown account.

Come in to see us for further details.

Owners are so pleased they  
go out of their way  
to tell their friends . . . there's  
nothing in the world like a  
4 wheel drive Toyota Land Cruiser with 7 league stride.

I'm amazed the way this machine that's tough as a mountain goat is climbing into the hearts of everybody. But it's only natural. To drive one is to want one. Compare the weight, the power, and the way this tough Toyota eats up ground —yet goes 85 mph with 7-man foam seat comfort...you'll want one—or I don't know human nature.

# Development Plans for

**A**s enrollment at St. Mark's has doubled over the past six years, some of the facilities have become completely inadequate for the school's needs. The Development Plan proposes the best use for each of the present buildings, through modifications that not only increase their utility, but also merge into the architectural character created by the new buildings.

The facility presently used as a gymnasium is

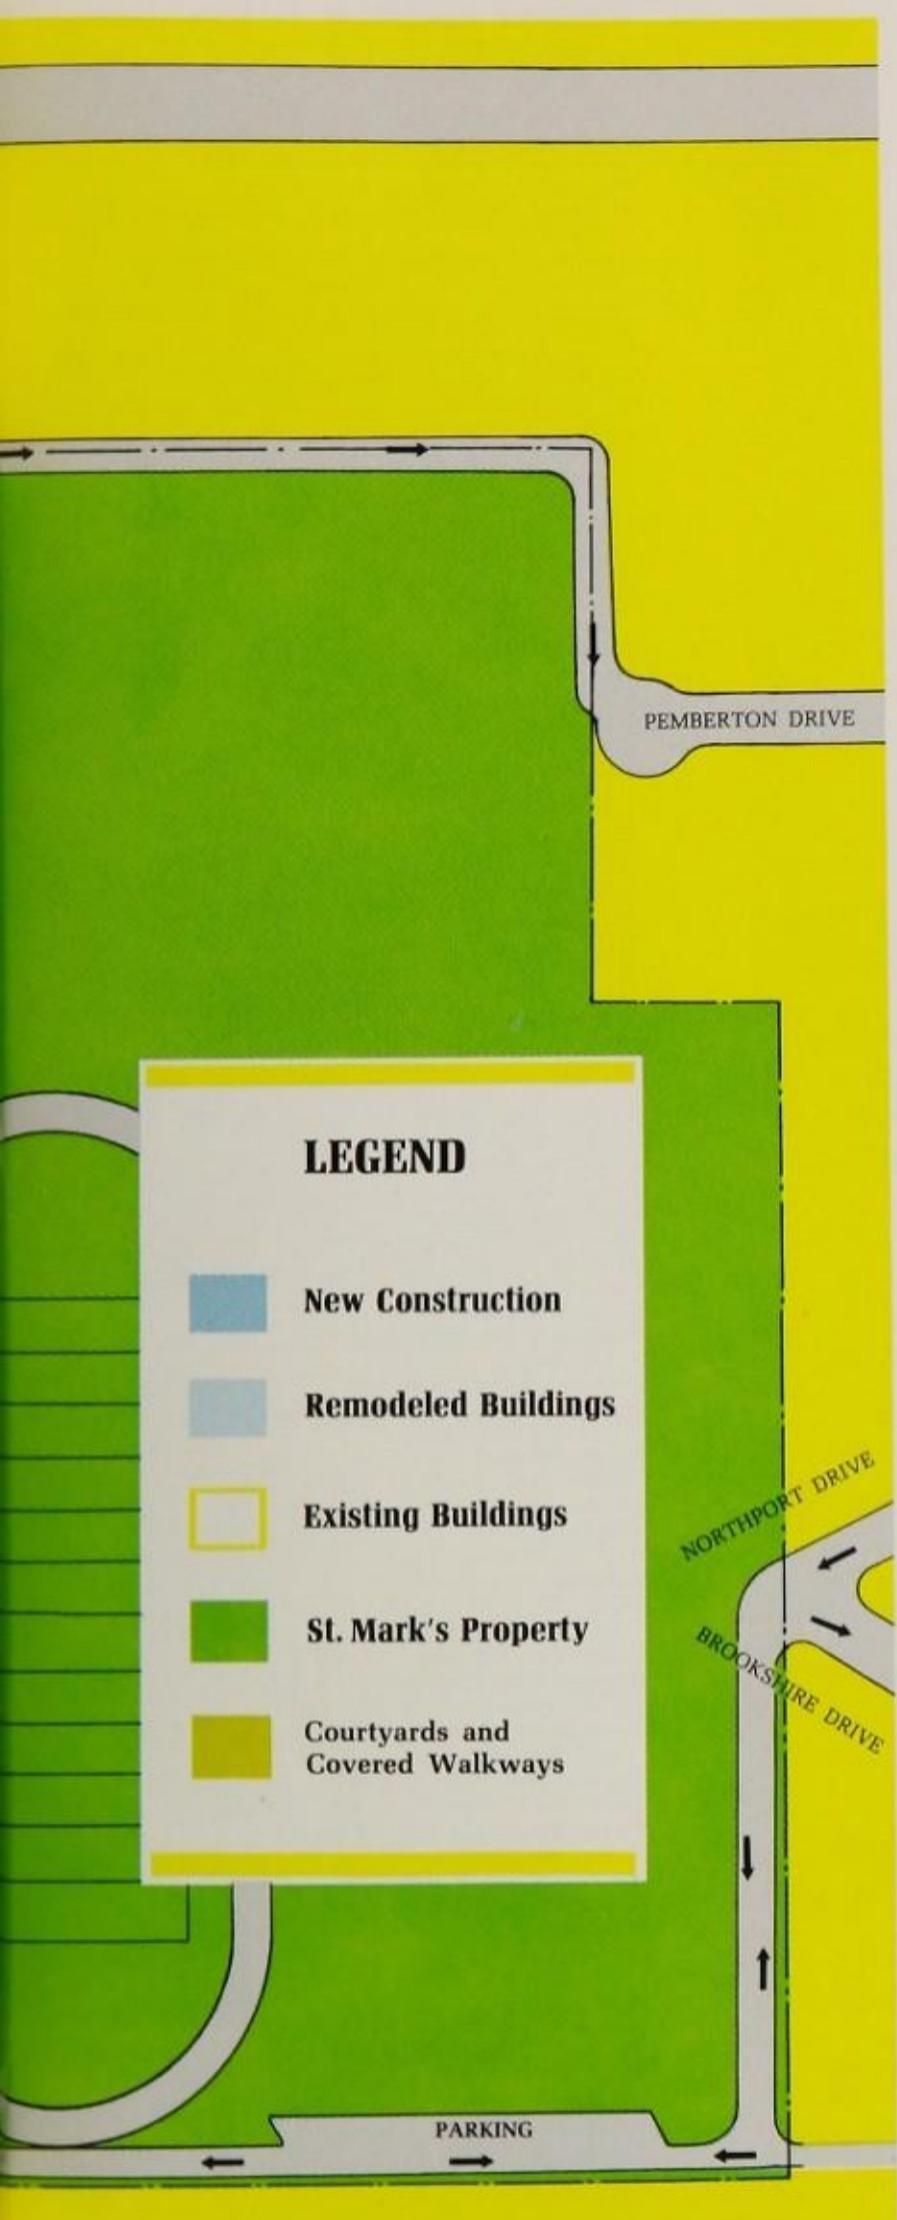

ideally suited by construction and size for conversion into a Dining Hall for the entire school. The proposed Dining Hall will be large enough to accommodate comfortably the student body and faculty, and yet will have a designed flexibility to meet a variety of special dining needs.

The Plan projects the renovation and complete air-conditioning of Davis Hall, which is still a very sound

traditional structure. Regaining the full use of its three floors will permit the relocation here of all the school administrative offices, as well as retention of important teaching space.

The building which now houses the administrative offices can readily be converted into a Lower School Building. The necessary alterations, while comparatively inexpensive, will provide a versatile, more appro-

## LEGEND

New Construction

Remodeled Buildings

Existing Buildings

St. Mark's Property

Courtyards and  
Covered Walkways

Mr. Cecil Green, President of the Board of Trustees of St. Mark's explained why the building program is being undertaken in the following words. "An outstanding faculty and an enthusiastic student body are the two most important ingredients in a great school, but also very essential is a completely adequate physical plant. St. Mark's is certainly still deficient in this latter category . . . Granted that good environment, as produced by an adequate plant, is vital to the best efforts by teachers and students alike, then I feel that to continue the standards of St. Mark's, we have no choice but to undertake this long range program for additional facilities."

Mr. Berrisford, Headmaster of St. Mark's expressed his confidence in the future in the following manner, saying, "With the fulfillment of this Development Plan, and the continuing excellence of faculty and students, St. Mark's will truly be an educational institution second to none."

Certainly the building that will be most useful to all students is the proposed Library and Study Center. To be built on the west side of Davis Hall, the new structure will be of the same general shape as the neighboring building. The Study Center, which will be the first building of the project to be built, will have space for 50,000 volumes in addition to space for studying and reading. A lecture hall for one hundred, several faculty offices and several additional classrooms will also be located in the Study Center. The Library-Study complex, which takes precedence over all other plans, will be of contemporary design.

The second most conspicuous structure on the campus of the future will be an auditorium, which will be used for any number of events. The plans for the auditorium, as yet indefinite, call for it to be moderately large and to be easily usable for many different functions.

Due to the growing need for space of the recently expanded and invigorated athletic and physical education program, the Development Plan includes a gymnasium as one of its goals. The gym will be constructed just west of the present grandstands of Bailey Field. The plan also envisions an indoor swimming pool and handball courts adjacent to the new gymnasium, although money for these two projects in addition to the auditorium is not included in the goal set for the drive now under way.

To be built at the same time as the new Library will be a power plant which will be needed to meet the expanded demands of the campus and its buildings.

But new buildings consist of only half of the goals of the development plan. Modernization and air-conditioning of all of Davis Hall are two other major goals. In addition the Lower School will be moved into Higginbotham Hall, which will be remodeled with its future function in mind. The administrative offices, now accommodated in Higginbotham will be moved to the first floor of the remodeled Davis Hall. The dining facilities will be in the shuffle from the first floor of Davis Hall to the present gymnasium, which will be completely renovated as a dining hall. The future dining hall will also function as a location of large banquets, which have been up to this time held rather clumsily in the present gymnasium at some inconvenience to various athletic squads. The locker room, now adjacent to the gymnasium will be enlarged.

Due to the increased interest in activities relating to Fine Arts and a greater need for space for rehearsal and performance, especially for drama, the Development Plan calls for an expanded Fine Arts Building.

In addition to these building improvements, plans have been drawn up for a more adequate driveway system on the campus. Preston Road will be less used as an entrance and no longer as an exit, while additional outlets will be constructed on the north and east edges of the campus.

This brilliant and far-reaching project will be effected, it should be emphasized, without increasing the present enrollment to more than six hundred and forty students.

priate facility for all the Lower School activities.

Anticipating and encouraging the continued growth in the fields of music and drama, an addition is proposed to the Fine Arts Building. This will insure adequate practice and rehearsal space for all groups.

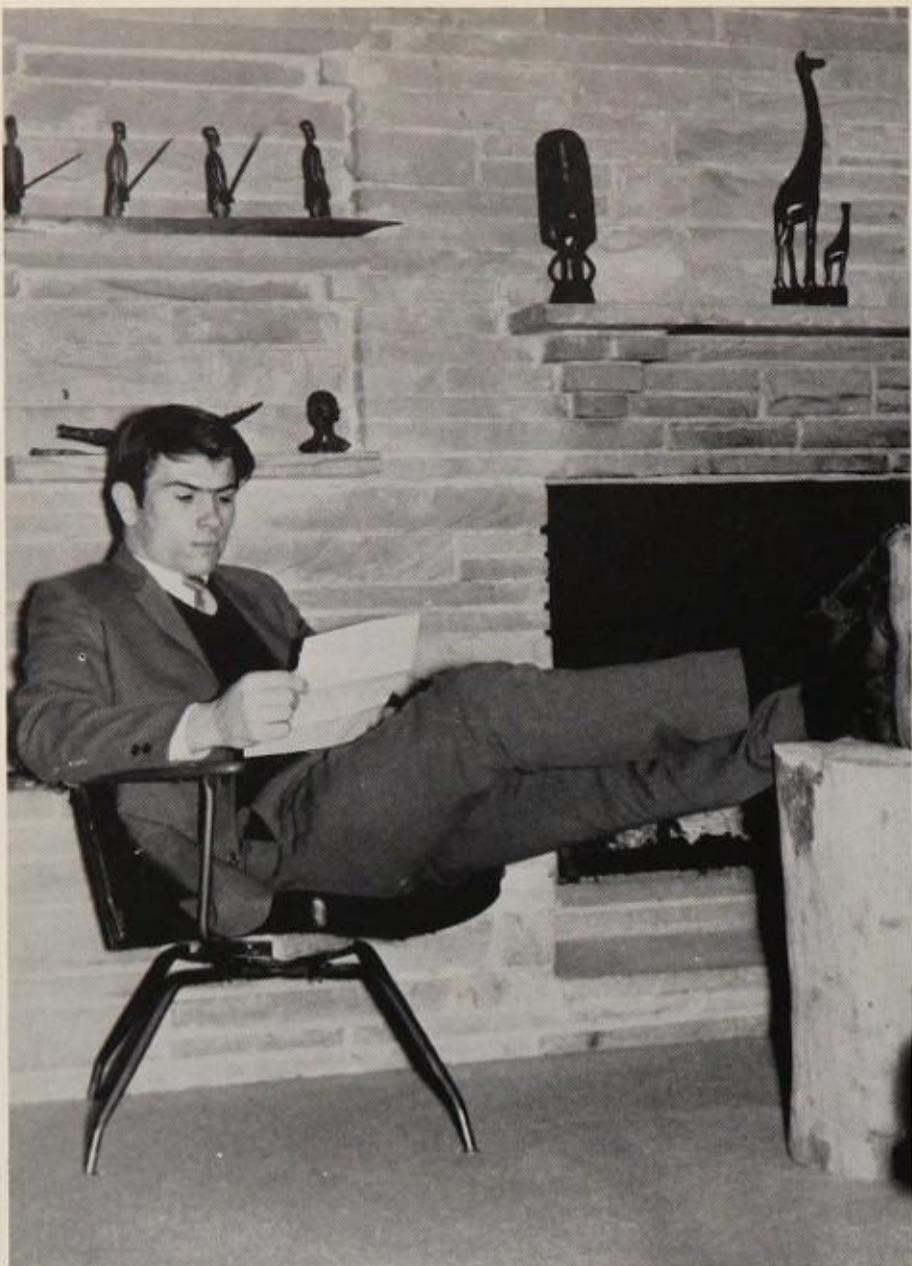

In each stage of construction, the adjoining courtyards and covered walks will introduce quadrangles and architectural character to the School. ■
